BOARD OF PUBLIC WORKS

CITY ENGINEER'S OFFICE

G. A. D'HEMECOURT,
CITY ENGINEER

San Diego, California, Oct. 10 - 1907

This is to Certify, that I have checked the work of grading that portion of
Ivy Street, between Fifth Street
and West line of City Park Street, in front of Lots No. F. & G
in Block No. 260 of Hortons Addition
to the City of San Diego, California, and North of the center line of said
Ivy Street, and found the same to be in accordance with the align-
ment of the Street, and with the official grade elevations of the said Ivy
Street, between the points above mentioned.

The amount of material moved in performing said work, is as follows:

EXCAVATION: 380.9 Cu. Yds

EMBANKMENT: None

This certificate is given in accordance with the provisions of Resolution
No. 3447, adopted by the Common Council of the City of San Diego, California,
on the 15th day of July 1907, granting permission
to John Snyder the owner of Lots No. F. & G
in Block No. 260 of Hortons Addition
to the City of San Diego, California, to do the work of grading above mentioned.

A. F. Crowell
City Engineer of the City of San Diego, California.
