San Diego Sun  
Resolution of Intention

To grade Fourth street in the City of San Diego, County of San Diego, State of California, from the north line of Redwood street to the south line of University avenue on the west side of the center line of said Fourth street, and including the sidewalk thereof.

Resolved, That it is the intention of the Common Council of the City of San Diego, County of San Diego, State of California, to order the following street work to be done in said city, to-wit: That that portion of said Fourth street in the said City of San Diego, from the north line of Redwood street to the south line of University avenue, on the west side of the center line of said Fourth street between the center line of said Fourth street and the west line of said Fourth street and including the sidewalk thereof, including all intersections of streets between the said north line of the said Redwood street and the south line of the said University avenue and the said center line of said Fourth street and the said west line of said Fourth street (excepting such portions of said Fourth street and said intersections as are required by law to be kept in order or repair by any person or company having railroad tracks thereon, and also excepting such portions of said street and intersections between said points as have already been graded to the official grade and accepted), be graded in accordance with the plans and specifications therefor as set forth in Ordinance No. 53 of the ordinances of the said City of San Diego, approved December 24th, 1889.

The San Diego Sun, a daily newspaper printed and circulated in said City of San Diego, is hereby designated as the newspaper in which this resolution of intention shall be published for two days, and the notice of the passage thereof for six days in the manner and by the persons required by law.

The Clerk of said City of San Diego is hereby directed to post this resolution of intention conspicuously for two days at or near the chamber door of said Common Council, and to publish the same by two insertions in said daily newspaper in the manner required by law.

Passed, approved and adopted by the Board of Delegates of the City of San Diego, California, this 3rd day of September, 1895, by the following vote, to-wit:

Ayes—Delegates Paddock, Warner, Hakes, Olmsted, Baker, Campbell, Perrin, Jones, Wellich, Dunkin, Burgert, James and Pauly.

Noes—None.

Absent—Delegates Barker, Altamirano and Paulsen.

CHAS. W. PAULY,  
President of the Board of Delegates of the City of San Diego, California.

Passed, approved and adopted by the Board of Aldermen of the City of San Diego, California, this 3rd day of September, 1895, by the following vote, to-wit:

Ayes—Aldermen Beard, Dodson, Watson, Sweeney, Spears, Blochman, Bachman and Levi.

Noes—None.

Absent—Aldermen Prout.

SIMON LEVI,  
President of the Board of Aldermen of the City of San Diego, California.

I hereby certify that the above and foregoing Resolution of Intention was passed by the Common Council of said City of San Diego as follows: By said Board of Delegates at the time

and by the vote above stated, and by said Board of Aldermen at the time and by the vote above stated.

GEO. D. GOLDMAN,

San Diego Sun  
Notice of Street Work.

Notice is hereby given that on the 3rd day of September, 1895, the Common Council of the City of San Diego, County of San Diego, State of California, did on said day adopt a Resolution of Intention to order the following street work to be done, to-wit:

That that portion of Fourth street in the said City of San Diego, from the north line of Redwood street to the south line of University avenue, on the west side of the center line of said Fourth street between the center line of said Fourth street and the west line of said Fourth street and including the sidewalk thereof, including all intersections of streets between said points (excepting such portions of said Fourth street and intersections as are required by law to be kept in order or repair by any person or company having railroad tracks thereon, and also excepting such portions of said street and intersections between said points as have already been graded to the official grade and accepted), be graded in accordance with the plans and specifications therefor as set forth in Ordinance No. 53 of the ordinances of the said City of San Diego, approved December 24th, 1889.

Special reference is hereby made to the said Resolution of Intention for further particulars, and the said Resolution of Intention is hereby made a part hereof.

FRED OSBURN,  
Superintendent of Streets of the City of San Diego, County of San Diego, State of California.

Dated at San Diego, California, this 10<sup>th</sup> day of September, 1895.

San Diego Sun  
Resolution Ordering Work to be Done.

Resolved, that the street work hereinafter described is required by the public interest and convenience, and the Common Council of the City of San Diego, County of San Diego, State of California, hereby orders the same to be done according to the specifications hereinafter mentioned and described, and under the direction and to the satisfaction of the Superintendent of Streets of the said City of San Diego, to-wit:

That that portion of Fourth street in said City of San Diego, from the north line of Redwood street to the south line of University avenue, on the west side of the center line of said Fourth street between the center line of said Fourth street and the west line of the said Fourth street, and including the sidewalk thereof, including all intersections of streets between the said north line of said Redwood street and the south line of the said University avenue, and the said center line of the said Fourth street and the said west line of the said Fourth street (excepting such portions of said Fourth street and intersections as are required by law to be kept in order or repair by any person or company having railroad tracks thereon, and also excepting such portions of said street and intersections between said points as have already been graded to the official grade and accepted), be graded in accordance with the plans and specifications therefor as set forth in Ordinance No. 53 of the ordinances of the City of San Diego, approved December 24th, 1889.

The SAN DIEGO SUN, a daily newspaper published and circulated in said City, is hereby designated as the newspaper in which this resolution and notice of said work, inviting sealed proposals, shall be published, in the manner and form, and by the persons, required by law.

The City Clerk of the said City of San Diego is hereby directed to post conspicuously for five days, on or near the chamber door of the said Common Council in the manner and form required by law, a notice with specifications, inviting sealed proposals or bids for doing said work, and said Clerk is hereby directed to publish for two days, in the manner and form required by law, a notice of said work, inviting sealed proposals or bids for doing said work, and referring to the specifications posted or on file in the said newspaper hereby designated for that purpose as aforesaid. Said notice shall require a certified check or bond, either, as prescribed by law, and for an amount not less than ten per cent of the aggregate of the proposal. Said Clerk is also hereby directed to publish this resolution for two days, in the manner required by law, in said newspaper designated for that purpose as aforesaid.

Passed, approved and adopted by the Board of Delegates of the City of San Diego, California, this 8th day of October, 1895, by the following vote, to-wit:

Ayes—Delegates Barker, Paddock, Warner, Hakes, Olmsted, Baker, Paulsen, Campbell, Perrin, Jones, Wellich, Dunkin, Burgert, James and Pauly.

Noes—None.

Absent—Delegate Altamirano.

CHAS. W. PAULY,  
President of the Board of Delegates of the City of San Diego, California.

Passed, approved and adopted by the Board of Aldermen of the City of San Diego, California, this 8th day of October, 1895, by the following vote, to-wit:

Ayes—Aldermen Prout, Beard, Dodson, Sweeney, Spears, Blochman, Bachman and Levi.

Noes—None.

Absent—Alderman Watson.

SIMON LEVI,  
President of the Board of Aldermen of the City of San Diego, California.

I hereby certify that the above and foregoing Resolution was passed by the Common Council of said City of San Diego as follows: By said Board of Delegates at the time and by the vote above stated, and by said Board of Aldermen at the time and by the vote above stated.

## Resolution Ordering the Work

Of sidewalk, crosswalking and curbing "F" street in the city of San Diego, California, from the west line of Eighth to the west line of Twelfth street.

Resolved, by the Common Council of the city of San Diego, California, that the public interest and convenience require that the street work hereinafter described be done, and therefore the said Common Council hereby orders the same to be done according to the specifications hereinafter mentioned, to-wit:

That that portion of "F" street in the said city of San Diego, from the west line of 8th street to the west line of 12th street, including all intersections of streets between said points (excepting such portions of the said "F" street and intersections between said points as have already been sidewalked with bituminous rock or concrete and accepted; and also, excepting such portions of the said "F" street as follows: The return on the northeast corner of "F" and 8th street, and the return on the northeast corner of "F" and 9th street, which have already been sidewalked with bituminous rock or concrete and accepted, both of said streets being in the City of San Diego), be sidewalked on both sides thereof; which sidewalk shall be of concrete, and shall be constructed in accordance with specifications therefor as contained in Article 2 of Ordinance No. 226 of the ordinances of the said city of San Diego, approved August 15th, 1893.

And also that that portion of said "F" street from the west line of 8th street to the west line of 12th street, including all intersections of streets between said points (excepting such portions of the said street and intersections as have already been curbed with natural stone, concrete or redwood plank and accepted, and also excepting that portion of the said "F" street as follows: The return on the northwest corner of "F" and 9th street, and the return on the northeast corner of "F" and 9th street, which have already been curbed with natural stone, concrete or redwood plank and accepted,) be curbed on both sides thereof with concrete, in accordance with specifications therefor as contained in general specification No. 7 of Ordinance No. 226 of the ordinances of the said city of San Diego, approved August 15th, 1893.

And also, that the intersections of the said "F" street with all streets crossing the same from the west line of 8th street to the west line of 12th street (excepting such portions of the said "F" street and intersections as are required by law to be kept in order or repair by any person, corporation or company having railroad tracks thereon, and also excepting such portions of the said intersections as have already been crosswalked with natural stone, concrete or bituminous rock laid to the official grade and accepted) be crosswalked on both sides of said "F" street, from curb line to curb line, with bituminous rock, laid on the natural earth, in accordance with specifications therefor as contained in Ordinance No. 232, of the ordinances of said city of San Diego, approved April 24th, 1894, which crosswalks shall be five feet four inches in width.

The SAN DIEGO SUN, a daily newspaper published and circulated in said city, is hereby designated as the newspaper in which this resolution ordering work, and the notice of said work, inviting sealed proposals for doing the same, shall be published, in the manner and form, and by the persons required by law.

The Clerk of this city is hereby directed to post conspicuously for five days, on or near the chamber door of said Common Council a notice with specifications, inviting sealed proposals or bids for doing said work, and said Clerk is hereby directed to publish for two days, in the manner and form required by law, a notice of said work, inviting sealed proposals or bids for doing the same, and referring to the specifications posted or on file in the said newspaper designated as aforesaid for that purpose.

Said notice shall require that all proposals or bids offered shall be accompanied by a check, payable to the order of the Mayor of this city, certified by a responsible bank, for an amount which shall not be less than ten per cent of the aggregate of the proposal, or by a bond for the said amount, so payable, signed by the bidder and by two sureties, who shall justify before any officer competent to administer an oath, in double the said amount, over and above all statutory exemptions.

Said Clerk is also hereby directed to publish this resolution ordering work, for two days, in the manner required by law, in said newspaper designated as aforesaid for that purpose.

Passed and adopted by the Board of Delegates of the City of San Diego, California, this 4th day of November, 1893, by the following vote, to-wit:

Ayes—Delegates Altamirano, Paddock, Warner, Hakes, Olmsted, Baker, Campbell, Ferrin, Jones, Welisch, Dunkin, Burgert, James and Pauly.

Noes: None.

## Resolution Ordering the Work

Of paving "H" street from the east line of Sixth street to the east line of Sixteenth street, and curbing the said "H" street from the east line of Twelfth street to the west line of Sixteenth street, in the City of San Diego, California.

Resolved, by the Common Council of the city of San Diego, California, that the public interest and convenience require that the street work hereinafter described be done, and therefore the said Common Council hereby orders the same to be done according to the specifications hereinafter mentioned, to-wit:

That that portion of "H" street in the said city of San Diego, from the east line of Sixth street to the east line of 16th street, including all intersections of streets between said points (excepting such portions of the said street and intersections as are required by law to be kept in order or repair by any person, corporation or company having railroad tracks thereon, and also excepting such portions of the said street and intersections thereof between said points as is occupied by a wooden bridge, and also excepting such portions of said street and intersections between said points as are covered with bituminous rock crosswalks, and also excepting that portion of said "H" street and intersections between said points already guttered with granite blocks laid to the official grade and accepted) be paved from curb line to curb line with bituminous rock pavement, two inches thick, laid on the natural earth, in accordance with specifications therefor as contained in Article 1, of Ordinance No. 226 of the ordinances of the said city of San Diego, approved August 15th, 1893, as amended by Ordinance No. 279 of the said city of San Diego, approved December 27th, 1894.

And also that that portion of the said "H" street, from the east line of Twelfth street to the west line of 16th street, including all intersections of streets between said points (excepting such portions of said street and intersections as are already curbed with concrete or natural stone, and also excepting such portions of the said "H" street and intersections between said points as is occupied by a wooden bridge, and also excepting that portion of the said "H" street as follows: That portion of the said H street in front of lots F and G in block 89, and lot L in block 104, and lot F in block 175, and lot L in block 174; all of said foregoing lots and blocks being in Horton's addition to the said city of San Diego; and also excepting that portion of the said H street in front of lot 6, block 1; lot 1, block 17; and lot 7, block 2, of Sherman's addition to the said city of San Diego, and also excepting the following returns: The return on the northeast corner of the intersection of 12th and H streets; the return on the northwest corner of the intersection of 13th and H streets; the return on the southwest corner of the intersection of 14th and H streets, and the return on the southeast corner of the intersection of 15th and H streets, and the return on the northwest corner of 16th and H streets, which have already been curbed with concrete, natural stone or redwood plank and accepted, all of said streets being in the City of San Diego) be curbed with concrete in accordance with General Specification No. 7, of Ordinance No. 226 of the ordinances of the City of San Diego, approved August 15th, 1893.

The SAN DIEGO SUN, a daily newspaper published and circulated in said city, is hereby designated as the newspaper in which this resolution ordering work, and the notice of said work, inviting sealed proposals for doing the same, shall be published, in the manner and form, and by the persons required by law.

The Clerk of this city is hereby directed to post conspicuously for five days, on or near the chamber door of said Common Council a notice with specifications, inviting sealed proposals or bids for doing said work, and said Clerk is hereby directed to publish for two days, in the manner and form required by law, a notice of said work, inviting sealed proposals or bids for doing the same, and referring to the specifications posted or on file in the said newspaper designated as aforesaid for that purpose.

Said notice shall require that all proposals or bids offered shall be accompanied by a check, payable to the order of the Mayor of this city, certified by a responsible bank, for an amount which shall not be less than ten per cent of the aggregate of the proposal, or by a bond for the said amount, so payable, signed by the bidder and by two sureties, who shall justify before any officer competent to administer oaths, in double the said amount, over and above all statutory exemptions.

Said Clerk is also hereby directed to publish this resolution ordering work, for two days, in the manner required by law, in said newspaper designated as aforesaid for that purpose.

Passed and adopted by the Board of Delegates of the City of San Diego, California, this 21st day of October, 1895, by the following vote, to-wit:

The numbers used above where their meaning is not shown to be otherwise by their immediate context mean the number of feet which the points designated in the proposed new grade shall be above the city datum line of levels as fixed by Ordinance No. 3 of the Ordinances of said city, entitled, "An ordinance establishing a datum line for the grading of streets in the city of San Diego, state of California, and providing for the manner of establishing grades by ordinance." Approved June 30th, 1895.

The district to be benefitted by said change of grade and to be assessed to pay the cost of the same, is hereby designated and established as follows, to-wit: Beginning at the southeast corner of block 212 in Horton's addition in said city of San Diego; thence north along the east line of said block 212, 50 feet; thence west parallel to and 50 feet north of the north line of said Cedar street to a point on the west line of said block 212, 50 feet north of the southwest corner of said block; thence south along the west line of said block 212 to the southwest corner thereof; thence east along the south line of said block 212 to point of beginning.

For further particulars reference is hereby made to said resolution of intention.

# **Resolution of Intention**

To change and establish the grade of that portion of Third street in the city of San Diego, California, between the north line of Ash street and the south line of Beech street, and designating and establishing the district to be benefited by such change of grade, and to be assessed for the cost of the same.

Resolved, that it is the intention of the Common Council of the City of San Diego, California, to change and establish the grade of that portion of Third street in said city between the north line of Ash street and the south line of Beech street as follows:

At a point on the east line of said Third street 150 feet due north of the northeast corner of Third and Ash streets the grade shall be 80.25 feet; and at a point 80 feet due west of the last named point the grade shall be 79.25 feet; the grade of said Third street between the points fixed by this resolution and the official grade of said street at the northeast corner of Third and Ash streets and the northwest corner thereof, and the southeast corner of Third and Beech streets and the southwest corner thereof, shall be of uniform ascent and descent. The center line of said Third street shall have an average elevation of the opposite curb grades.

The numbers used above where their meaning is not shown to be otherwise by their immediate context mean the number of feet which the points designated in the proposed new grade shall be above the city datum line of levels as fixed by Ordinance No. 3 of the ordinances of said city, entitled, "An ordinance establishing a datum line for the grading of streets in the City of San Diego, state of California, and providing for the manner of establishing grades by ordinance," approved June 30th, 1895.

The district to be benefited by such change of grade, and to be assessed for the cost of the same, is hereby designated and established as follows, to-wit: Beginning at the northwest corner of lot L, in block 199 in Horton's addition in said city of San Diego, thence south parallel to the west line of said Third street to the southwest corner of lot G in said block 199; thence east along the north line of Ash street to the southeast corner of lot F in block 300 in Horton's addition in said city; thence north parallel to the east line of said Third street to the northeast corner of lot A in said block 300; thence west along the south line of Beech street to the point of beginning.

The City Clerk of said city is hereby directed to cause this resolution of intention to be published for ten days in the newspaper in which the official notices of the Common Council of this city are usually printed and published, to-wit: The San Diego Sun, a daily newspaper published and circulated in said city, in every regular issue of said newspaper during said period of ten days, which newspaper is hereby designated as the newspaper in which this resolution of intention shall be published in the manner and by the persons required by law.

The Superintendent of streets of said city is hereby ordered and directed, within five days after the first publication of this resolution, to cause to be conspicuously posted in the manner and form required by law, within the district herein above designated as the district to be benefited by the proposed change of grade, notices of the passage of this resolution.

Passed, and adopted by the Board of Delegates of the City of San Diego, California, this 30th day of December, 1895, by the following vote, to-wit:

Ayes—Delegates Barker, Altamirano, Warner, Hakes, Baker, Campbell, Jones, Welisch, Dunlap, Hurst, James and Pauly.

Noes—None.

Absent—Delegates Paddock, Olmsted, Paulsen and Ferrin.

## Resolution of Intention

To change and establish the grade of that portion of 16th street in the city of San Diego, California, from and including the south line of K street, to and including the north line of M street, and designating and establishing the district to be benefited by such change of grade, and to be assessed for the cost of the same.

Resolved, that it is the intention of the Common Council of the City of San Diego, California, to change and establish the grade of that portion of 16th street in said city from and including the south line of K street to and including the north line of M street as follows:

At the southwest corner of 16th street and K street the grade shall be 25.50 feet; at the southeast corner thereof the grade shall be 27.50 feet; at the northwest corner of 16th and L streets, the grade shall be 22.50 feet; at the southwest corner thereof the grade shall be 20.50 feet; at the northeast corner thereof the grade shall be 23.50 feet; at the southeast corner thereof the grade shall be 21.50 feet; at the northwest corner of 16th and M streets the grade shall be 14.75 feet; the grade of said 16th street between the points fixed by this resolution and the established grade at the northeast corner of 16th and M streets shall be of uniform ascent and descent. The center line of said 16th street shall have an average elevation of the opposite curb grades.

The numbers used above where their meaning is not shown to be otherwise by their immediate context mean the number of feet which the points designated in the proposed new grade shall be above the city datum line of levels as fixed by Ordinance No. 3 of the ordinances of said city, entitled, "An ordinance establishing a datum line for the grading of streets in the City of San Diego, state of California, and providing for the manner of establishing grades by ordinance," approved June 20th, 1896.

The district to be benefited by such change of grade, and to be assessed for the cost of the same, is hereby designated and established as follows, to-wit: Beginning at the southwest corner of lot 7 in block 32, in Sherman's Addition in said city of San Diego, California; thence east along the north line of M street to the southeast corner of lot 6 in block 32 in said Sherman's addition; thence north parallel to the east line of said 16th street to the northeast corner of lot 1 in block 32 in said Sherman's addition; thence west along the south line of K street to the northwest corner of lot 24 in Sherman's re-subdivision of block 28 in said Sherman's addition; thence south parallel to the west line of said 16th street to the point of beginning.

The City Clerk of said city is hereby directed to cause this resolution of intention to be published for ten days in the newspaper in which the official notices of the Common Council of this city are usually printed and published, to-wit: The San Diego Sun, a daily newspaper published and circulated in said city, in every regular issue of said newspaper during said period of ten days, which newspaper is hereby designated as the newspaper in which this resolution of intention shall be published in the manner and by the persons required by law.

The Superintendent of streets of said city is hereby ordered and directed, within five days after the first publication of this resolution, to cause to be conspicuously posted in the manner and form required by law, within the district herein above designated as the district to be benefited by the proposed change of grade, notices of the passage of this resolution.

Passed, and adopted by the Board of Delegates of the City of San Diego, this 20th day of January, 1896, by the following vote, to-wit: Ayes—Delegates Barker, Altamirano, Warner, Hakes, Olmsted, Baker, Paulsen, Campbell, Ferrin, Jones, Wellich, Dunkin, Burgett, James and Pauly.

Noes—None.

Absent—Delegate Paddock.

### NOTICE

Of the time and place of hearing of an appeal taken by John Engelbret, contractor, in the matter of the assessment for the grading of H street from the west line of Fourth street to the west line of Atlantic street in the City of San Diego California.

Notice is hereby given that an appeal has been taken to the Common Council of the City of San Diego, California, by John Engelbret, the contractor, from the assessment in the matter of the grading of H street from the west line of Fourth street to the west line of Atlantic street in the City of San Diego, the said appeal and the objections made by said Engelbret to the determination of the Superintendent of Streets in making said assessment is as follows:

TO THE CITY COUNCIL OF THE CITY OF SAN DIEGO:  
John Engelbret hereby appeals to the City Council from the assessment in the matter of grading 'H' street from the west line of Fourth street to the west line of Atlantic street in the City of San Diego, the warrant to him attached thereto bearing date August 12th, 1896, and states his objections thereto as follows to-wit:

- 1st. He objects to the correctness of the said assessment in so far as it assesses any part of the cost and expenses of the work covered by said assessment on any lands lying below the mean high tide line of San Diego bay, on the ground that said last-named lands are not in private ownership, nor the subject of private ownership, and are not liable to any lien for street improvement.
- 2nd. He objects to the legality of the said assessment in so far as it assesses any part of the cost and expenses of the work covered by said assessment on any lands lying below the mean high tide of San Diego bay, on the ground that said last-named lands are not in private ownership, nor the subject of such ownership and are not liable to any lien for street improvement.
- 3rd. He objects to the legality of the said assessment in so far as it assesses any part of the south half (S $\frac{1}{2}$ ) of block 31 in New Town of San Diego on the ground that said south half (S $\frac{1}{2}$ ) of block 31 is and was at the time of the passage of the Resolution of Intention in said matter, the public property of the United States.
- 4th. He objects to the legality of said assessment in so far as it assesses any part of the west half (W $\frac{1}{2}$ ) of block 18 in New Town of San Diego on the ground that all said west half (W $\frac{1}{2}$ ) of said block 18 is and was at the time of the passage of the Resolution of Intention in said matter the public property of the United States.
- 5th. He objects to the legality and correctness of the whole of said assessment for the reasons hereinbefore stated.

J. ENGELBRET, Contractor.  
September 10th, 1896.

The above and foregoing appeal has been set for hearing by order of the Common Council of said city, and will be heard by the Board of Delegates of said Common Council at the chamber of said Board of Delegates in that building known as the City Hall of said city, situated at the southwest corner of D and Third streets, on the 21st day of September, 1896, at 8 o'clock p. m. of said day, and by the Board of Aldermen of said Common Council at the chamber of said Board of Aldermen in said City Hall on the 22nd day of September, 1896, at 8 o'clock p. m. of said day.

By order of the Common Council of the City of San Diego, California.

Resolution Ordering the Work

Of sidewalking and curbing Sixth street in the City of San Diego, California, from the north line of "D" street to the south line of "B" street.

Resolved, by the Common Council of the City of San Diego, California, that the public interest and convenience of said city require that the street work hereinafter described be done, and therefore the said Common Council hereby orders the following street work to be done, in said city, to-wit:

That that portion of Sixth street in the said City, from the north line of "D" street to the south line of "B" street, including all intersections of streets between said points, (excepting such portions of said Sixth street and intersections between said points as are already sidewalked with concrete or bituminous rock laid to the official grade), be sidewalked on both sides thereof, which sidewalks shall be of concrete, and shall be constructed in accordance with specifications therefor as contained in Article 2 of Ordinance No. 226, of the ordinances of said City, approved August 15th, 1896.

And also, that that portion of said Sixth street, from the north line of "D" street to the south line of "B" street, including all intersections of streets between said points (excepting such portions of said Sixth street and intersections between said points as are already curbed with natural stone or concrete laid to the official grade), be curbed on both sides thereof with concrete in accordance with specifications therefor as contained in Section 1 of Article 1 of Ordinance No. 226 of the ordinances of said city, approved August 15th, 1896.

The San Diegoan-Sun, a daily newspaper published and circulated in said city, is hereby designated as the newspaper in which this resolution ordering work, and the notice of said work, inviting sealed proposals for doing the same, shall be published, in the manner and form and by the persons required by law.

The Clerk of this city is hereby directed to post conspicuously, for five days on or near the chamber door of said Common Council, a notice with specifications, inviting sealed proposals or bids for doing said work, and said clerk is hereby directed to publish for two days, in the manner and form required by law, a notice of said work, inviting sealed proposals or bids for doing the same, and referring to the specifications posted or on file in said newspaper designated as aforesaid for that purpose.

Said Clerk is also hereby directed to publish this resolution ordering work for two days, in the manner required by law, in said newspaper designated as aforesaid for that purpose.

Passed and adopted by the Board of Delegates of the city of San Diego, California, this 23rd day of March, 1896, by the following vote, to-wit: Ayes—Delegates Barker, Altamirano, Warner, Hakes, Olmsted, Baker, Paulsen, Campbell, Perrin, Jones, Weisch, Dunkin, Burgert, James and Pauly.

Noes—None.

Absent—Delegate Paddock.

Union Street.  
Change of grade such to "A"

8.55

### Resolution of Intention

To change and establish the grade of that portion of Union street in the City of San Diego, California, from the south line of Beech street to a point 150 feet north of the north line of "A" street.

Resolved, that it is the intention of the Common Council of the City of San Diego, California to change and establish the grade of that portion of Union street in said city, from and including the south line of Beech street to a point 150 feet north of the north line of "A" street as follows:

At the southwest corner of Union and Beech streets the grade shall be 42 feet; at the northwest corner of Union and Ash streets the grade shall be 41.4 ft; at the southwest corner of Union and Ash streets the grade shall be 43 feet; at a point 150 feet due north of the northwest corner of "A" and Union streets the grade shall be 45 feet; the grade of said Union street between said points fixed by this resolution shall be of uniform ascent and descent; the center of said Union street shall have an average elevation of the opposite curb grades.

The numbers used above where their meaning is not shown to be otherwise by their immediate context, mean the number of feet which the points designated in the proposed new grade shall be above the city datum line of levels as fixed by Ordinance No. 3 of the Ordinances of said city, entitled, "An ordinance establishing a datum line for the grading of streets in the city of San Diego, state of California, and providing for the manner of establishing grades by ordinance." Approved June 30th, 1886.

The district to be benefited by such change of grade and to be assessed for the cost of the same is hereby designated and established as follows, to-wit: Beginning at the northeast corner of lot 12 in block "C" in Middletown in the said city of San Diego, and running thence west to the northwest corner of said block 12; thence south to the southwest corner of lot 10 in block 12 in said Middletown; thence east to the southeast corner of said lot 10; thence north along the west line of said Union street to the place of beginning.

The City Clerk of said city is hereby directed to cause this resolution of intention to be published for ten days in the newspaper in which the official notices of the Common Council of this city are usually printed and published, to-wit: The San Diegoan-Sun, a daily newspaper published and circulated in said city, in every regular issue of said newspaper during said period of ten days, which newspaper is hereby designated as the newspaper in which this resolution of intention shall be published, in the manner and by the persons required by law.

The superintendent of streets of said city is hereby ordered and directed, within five days after the first publication of this resolution, to cause to be conspicuously posted, in the manner and form required by law, within the district herein above designated as the district to be benefited by the proposed change of grade, notices of the passage of this resolution.

Passed and adopted by the Board of Delegates of the City of San Diego, California, this 16th day of March, 1896, by the following vote, to-wit:

Ayes—Delegates Barker, Altamirano, Warner, Hakes, Olmsted, Baker, Paulsen, Campbell, Ferris, Jones, Welisch, Dunkin, James and Pauly.

To Change Grade of Union between A<sup>and</sup> and Cedar  
 See down

### Resolution of Intention

To change the grade of that portion of Union street in the city of San Diego, California, between the north line of "A" street and the south line of Cedar street.

Resolved, that it is the intention of the Common Council of the City of San Diego, State of California, to change and establish the grade of that portion of Union street in said city between the north line of "A" street and the south line of Cedar street as follows:

At a point on the west line of said Union street, 150 feet north of the northwest corner of "A" and Union streets the grade shall be 43.50 feet; at a point on the east line of Union street 150 feet north of the northeast corner of "A" and Union streets the grade shall be 44.50 feet; at the southwest corner of Union and Ash streets the grade shall be 41 feet; at the southeast corner of Union and Ash streets the grade shall be 42.50 feet; at the northeast corner of Union and Ash streets the grade shall be 42.50 feet; at the northwest corner of Union and Ash streets the grade shall be 41 feet; at the southwest corner of Union and Beech streets the grade shall be 43.50 feet; at the northwest corner of Union and Beech streets the grade shall be 49.50 feet; at a point on the east line of Union street 150 feet north of the northeast corner of Union and Beech streets the grade shall be 52.50 feet; at a point on the west line of Union street 150 feet north of the northwest corner of Union and Beech streets the grade shall be 54 feet; the grade of said Union street between the points fixed by this resolution shall be of uniform ascent and descent. The center of said portion of said Union street shall have an average elevation of the opposite curb grades.

The numbers used above where their meaning is not shown to be otherwise by their immediate context, mean the number of feet which the points designated in the proposed new grade shall be above the city datum line of levels as fixed by ordinance number 3 of the ordinances of said city, entitled: "An ordinance establishing a datum line for the grading of streets in the city of San Diego, state of California, and providing for the manner of establishing grades by ordinance." Approved June 30th, 1886.

The district to be benefitted by said change of grade and to be assessed to pay the cost of the same is hereby designated and established as follows, to-wit: Beginning at the northwest corner of lot "L," in block 24, in Middletown, in said city of San Diego, and running thence east along the south line of Cedar street 230 feet; thence south parallel to said Union street to the north line of "A" street; thence west 230 feet along the north line of "A" street to the southwest corner of lot "G," in block 13 of said Middletown; thence north parallel to said Union street to the northwest corner of lot "L," in said block 24, the place of beginning.

The city clerk of said city is hereby directed to cause this resolution of intention to be published for ten days in the newspaper in which the official notices of the Common Council of this city are usually printed and published, to-wit: the SAN DIEGO SUN, a daily newspaper published and circulated in said city, in every regular issue of said newspaper during said period of ten days, which newspaper is hereby designated as the newspaper in which this resolution of intention shall be published, in the manner and by the persons required by law.

The superintendent of streets of said city is hereby ordered and directed, within five days after the first publication of this resolution to cause to be conspicuously posted, in the manner and form required by law, within the district herein above designated as the district to be benefitted by the proposed change of grade, notices of the passage of this resolution.

## RESOLUTION OF INTENTION

To Change the Grade of that Portion of Twenty-third Street in the City of San Diego, California, from the South Line of G street to the Northern Boundary Line of Sherman's Addition.

Whereas, The owners of a majority of the property affected by the herein proposed change of the grade of that portion of Twenty-third street in the City of San Diego, California, from the south line of G street to the northern boundary line of Sherman's Addition, have petitioned the Common Council of the City of San Diego, California, to change the grade of that portion of said Twenty-third street between said points.

And Whereas, It appears to the said Common Council and said Common Council hereby finds that the said petition contains the names of the owners of a majority of the property affected by the said proposed change of grade; now, therefore,

Be It Resolved, By the Common Council of the City of San Diego, California, that it be and is hereby declared to be the intention of the Common Council of the said City of San Diego, California, to change and establish the grade of that portion of Twenty-third street in the City of San Diego, California, from the south line of G street to the northern boundary line of Sherman's Addition, as follows:

"At the intersection of the east line of Twenty-third street with the north line of Sherman's Addition, change the grade from one hundred and twenty-three and two tenths (123.2) feet above the datum line of levels as fixed by Ordinance No. 3 of the ordinances of said City of San Diego, entitled "An ordinance establishing a datum line for the grading of streets in the City of San Diego, State of California, and providing for the manner of establishing grades by ordinances," approved June 30th, 1886, to one hundred and twenty-seven and five tenths (127.5) feet above said datum line; at the intersection of the west line of the said Twenty-third street with the said north line of Sherman's Addition, change the grade from one hundred and twenty-one and nine tenths (121.9) feet above said datum line to one hundred and twenty-six and four tenths (126.4) feet above said datum line.

The grade of Twenty-third street between the points fixed by this Resolution shall be of uniform ascent and descent; that the center line of said portion of said Twenty-third street shall have an average elevation of the opposite curb grades; that the numbers

used above where their meaning is not shown to be otherwise by their immediate context, mean the number of feet which the points designated in the proposed new grade shall be above the City datum line of levels as fixed by the said Ordinance No. 3 of the ordinances of the said City of San Diego, entitled "An Ordinance Establishing a Datum Line for the Grading of Streets in the City of San Diego, California, and Providing for the Manner of Establishing Grades by Ordinance," approved June 30th, 1886.

Pursuant to statute and to Resolution of Award No. 594 of the Common Council of the City of San Diego, California, adopted March 21st, 1898, by the Board of Delegates, and March 21st, 1898 by the Board of Aldermen, and duly approved by the Mayor of said city March 22nd, 1898, directing this notice, notice is hereby given that the said Common Council in open session the Board of Delegates March 7th, 1898, and the Board of Aldermen March 7th, 1898, opened, examined and publicly declared all sealed proposals offered for the following work to-wit:

That that portion of the west side of Front street in said City of San Diego, between the north line of Kalmia street and the south line of Laurel street (except where already curbed with concrete or natural stone laid to the official grade and accepted) be curbed with concrete in accordance with specifications therefor, as contained in Section 1 of Article 1 of Ordinance No. 226 of the ordinances of said city, approved August 15th, 1893.

And also that that portion of the west side of said Front street between the north line of Kalmia street and the south line of Laurel street, be guttered with cobble stones, which gutter shall be six (6) feet wide, and the cobble stones shall be not less than six (6) inches in diameter and shall be set on edge and firmly embedded in sand. The cross sections of the gutter shall be concave, and the bottom shall have the following elevations at the south line of Laurel street, above the datum line established as a basis of street grades in said city, by Ordinance No. 3, approved June 30th, 1886:

At the point of curb line, 203.25 feet.  
At a point 3 feet from the curb line, 203.00 feet.

At a point 6 feet from the curb line, 203.50 feet.

The bottom of the gutter, at the north line of Kalmia street, shall have the following elevations above said datum line:

At the point of curb line, 196.25 feet.  
At a point 3 feet from the curb line, 196.00 feet.

At a point 6 feet from the curb line, 196.40 feet.

The grade of the bottom of the gutter, between the south line of Laurel and the north line of Kalmia streets shall be uniform between the elevations and points above specified.

The outer edge of the gutter shall be turned down into the ground at least one foot and thoroughly tamped in.

And thereafter awarded the contract for said work to the lowest regular responsible bidder, to-wit: to Joseph Kelly, at the prices named for said work in his proposal on file.

Dated at the office of the City Clerk of the City of San Diego, California, this 22nd day of March, 1898.
