April 11, 1927.

TO THE HONORABLE, THE MAYOR AND COMMON COUNCIL
OF THE CITY OF SAN DIEGO, CALIFORNIA.

Gentlemen:

Document No. 202780, being protest against the unsanitary conditions existing at 2639 K Street is returned with the information that investigation fails to reveal any unsanitary condition.

It is true, the gentleman who lives at 2639 K Street keeps a couple of cows and some chickens, and that the noise created by them may be objected to by the neighbors, but he has complied with all of the ordinances regulating the keeping of cows and chickens, and there is nothing that the City can do except file the protest.

Very respectfully,

FAR/1.

Manager of Operation.
