To the Hon. Mayor and City Council  
Gentlemen

We the Committee respectfully

submit the following report as to the purchase of a team of horses for horse wagon. The very large teams now belong to Russ & Limber Co for \$7000 the team belonging to Morrison for \$5000 the to same firm for \$4500 the team belonging to Mr Cambourne for \$4000 the to Simpson Bros for \$4500. We would recommend that not more than \$4500 be paid for team of horses as the committee are of the opinion that this amount will purchase a good team for which it is needed.

Very Respectfully
