To the Mayor and Common Council  
City Hall, San Diego, Calif.

Gentlemen:-

The Woman's Christian Temperance Union, with other Christian organizations, has appreciated the attitude of local fraternal orders such as the Sciots, and the County Fair officials, in refraining from conducting fetes and fairs on the Lord's Day.

We regret that traveling shows have been permitted here to commercialize and desecrate a day our local people have respected, and we earnestly request your honorable body to refuse further permits to traveling circuses and shows for commercial desecration of a day set apart for rest and worship by thousands of San Diego citizens.

Very respectfully,

(Mrs) M. Alice French

W.C.T.U. Supt. Sabbath Observance.
