---

Gentlemen:

I wish to add my protest to the ordinance passed and going into effect on Jan 27<sup>th</sup>/45 - regarding Dogs.

I believe it to be, on the whole, unfair and wrong - Giving the Dog Haters, and Dog Crawlers - the opportunity of reporting, so called damage to their Lawns and Gardens.

I have kept Dogs for many years and I believe they have given pleasure and protection in the neighborhood and no harm to person or Garden -

My own Garden, which is large and open, has never been hurt or damaged by Dogs. - I herewith protest this ordinance -

Yours very truly,  
(L. B.) Blanche B. McCletridge
