SAN DIEGO, CALIFORNIA, March 20, 1914

The Honorable Common Council,
City of San Diego, California.

Gentlemen:

We the undersigned property owners and residents of the vicinity of University Avenue and Arizona Streets in the City of San Diego do hereby petition your Honorable Body to inquire into and take some action in the matter of a certain barn and corral located on the west side of Arizona Street near University Avenue. Said barn and corral is kept in an unsanitary manner and is dangerous to the health and welfare of the residents of this vicinity. The tenants of said barn and corral also allow water to run from a hydrant located on the premises causing a mud hole near said barn and corral. The horses and mules kept in said barn and corral are noisy at night and make sleep practically impossible. Therefore we hereby request that this nuisance be abated.
