San Diego, Cal.  
June 27th, 1926.

To-

The Honorable City Council,  
San Diego, California.

Gentlemen:-

If it is possible, I wish to enter into a contract with the City of San Diego for the purchase and disposal of the manure produced at the city stables.

Upon application at the City Manager's office I was advised that if this product was sold it would have to be offered for sale to the highest bidder. I therefore petition you that you authorize such sale.

Respectfully,

Chas. A. Schindler.
