

Jan. 28. 1944.

City Council:

I sincerely agree with J. P. Mason. No dog has any right on a neighbors property.

And hope I and all the others who are bothered get immediate relief.

I am bothered with my neighbors dogs which are allowed to run loose. One neighbor has 4 big dogs which roam at will.

I try to have a nice yard and a victory garden and am bothered with these dogs, and

others.

If you wish proof
