To change the grade of that portion of Cedar street in the City of San Diego, California, between the east line of Seventh street and the west line of Eighth street.

Whereas the owners of a majority of the property affected by the herein proposed change of the grade of that portion of Cedar street in said City of San Diego, between the east line of Seventh street and the west line of Eighth street, have petitioned the Common Council of the City of San Diego, California, to change the grade of that portion of said Cedar street between said points, and

Whereas, it appears to the Common Council of said city, and said Common Council finds that the said petition contains the names of the owners of a majority of the property affected by the said proposed change of grade, now therefore,

Be it resolved, that it is the intention of the Common Council of the City of San Diego to change and establish the grade of that portion of Cedar street in said City of San Diego, between the east line of Seventh street and the west line of Eighth street, as follows:

At the southeast corner of said Cedar and Seventh streets the grade shall be 162 feet; at the northeast corner of said Cedar and Seventh streets the grade shall be 161 feet; at a point on the north line of said Cedar street, one hundred feet east of the northeast corner of said Cedar and Seventh streets the grade shall be 161.75 feet; at a point on the south line of said Cedar street, one hundred feet east of the southeast corner of said Cedar and Seventh streets the grade shall be 161.50 feet; at the southwest corner of said Cedar and Eighth streets the grade shall be 160 feet; at the northwest corner of said Cedar and Eighth streets the grade shall be 160 feet; the grade of said Cedar street between the points fixed by this resolution shall be of uniform ascent and descent. The center line of said portion of said Cedar street shall have an average elevation of the opposite curb grades.

The numbers used above, where their meaning is not shown to be otherwise by their immediate context, mean the number of feet which the points, designated in the proposed new grade, shall be above the city datum line of levels, as fixed by Ordinance No. 3 of the ordinances of said city, entitled: "An ordinance establishing the datum line for the grading of streets in the City of San Diego, State of California, and providing for the manner of establishing grades by ordinance," approved June 30th, 1886.

The district to be benefited by the said proposed change of grade and to be assessed to pay the cost of the same is hereby designated and established as follows, to-wit:

Beginning at the northwest corner of lot four (4) in block nine (9) of Carruther's addition in said City of San Diego; thence running east along the north line of lots four (4) and nine (9) in said block nine (9) to the northeast corner of said lot nine (9); thence running south along the west line of Eighth street to the southeast corner of lot ten (10) in block ten (10) in said Carruther's addition; thence running west along the south line of lots ten (10) and three (3) in said block ten (10) to the southwest corner of said lot three (3); thence running north along the east line of Seventh street to the northwest corner of lot four (4) in said block nine (9), and place of beginning.

The City Clerk of said City is hereby directed to cause this resolution of intention to be published for ten days in the newspaper in which the official notices of the Common Council of this city are usually printed and published, to-wit: the San Diego Sun, a daily newspaper published and circulated in said city, in every regular issue of said newspaper during said period of ten days, which newspaper is hereby designated as the newspaper in which this resolution of intention shall be published in the manner and by the persons required by law.

The Superintendent of Streets of said City is hereby ordered and directed, within five days after the first publication of this resolution, to cause to be conspicuously posted, in the manner and form required by law, within the district hereinabove designated as the district to be benefited by the said proposed change of grade, notices of the passage of this resolution.

Passed and adopted by the Board of Delegates of the City of San Diego, California, this 11th day of July, 1898, by the following vote, to-wit:

Change grade of "F" Street 14th to 18th

RESOLUTION OF INTENTION

To change the grade of that portion of "F" street in the City of San Diego, California, from and including the east line of Fourteenth street, to and including the west line of Eighteenth street.

Whereas, the owners of a majority of the property affected by the herein proposed change of the grade of that portion of "F" street in the said city of San Diego, from and including the east line of Fourteenth street, to and including the west line of Eighteenth street, have petitioned the Common Council of the City of San Diego, California, to change the grade of that portion of the said "F" street, between said points, and

Whereas, it appears to the said Common Council and said Common Council hereby finds that the said petition contains the names of the owners of a majority of the property affected by said proposed change of grade.

Now, therefore, be it resolved, by the Common Council of the City of San Diego, that it be and is hereby declared to be the intention of the Common Council of the said City of San Diego, California, to change and establish the grade of that portion of "F" street in the said City of San Diego, from and including the east line of Fourteenth street, to and including the west line of Eighteenth street, as follows:

At the northeast corner of "F" and Fourteenth streets fix and establish the grade at 48.00 feet above the datum line of levels as fixed by Ordinance No. 3 of the ordinances of the City of San Diego, entitled "An Ordinance Establishing a Datum Line for the Grading of Streets in the City of San Diego, State of California, and Providing for the Manner of Establishing Grades by Ordinance," approved June 30th, 1886; at the southeast corner of "F" and Fourteenth streets fix and establish the grade at 48.00 feet above said datum line; at the southeast corner of "F" and Fifteenth streets change the grade from 45.00 feet above said datum line, to 43.00 feet above said line; at the northeast corner of "F" and Fifteenth streets change the grade from 45.00 feet above said datum line, to 43.00 feet above said line; at the southwest corner of "F" and Fifteenth streets change the grade from 45.00 feet above said datum line, to 43.00 feet above said line; at the northwest corner of "F" and Fifteenth streets

change the grade from 45.00 feet above said datum line, to 43.00 feet above said line; at the southwest corner of "F" and Sixteenth streets change the grade from 54.50 feet above said datum line, to 52.50 feet above said line; at the northeast corner of "F" and Sixteenth streets change the grade from 54.50 feet above said datum line, to 52.50 feet above said line; at the southwest corner of "F" and Sixteenth streets change the grade from 53.50 feet above said datum line, to 51.50 feet above said line; at the northwest corner of "F" and Sixteenth streets change the grade from 53.50 feet above said datum line, to 51.50 feet above said line; at the southeast corner of "F" and Seventeenth streets change the grade from 69.00 feet above said datum line, to 67.00 feet above said line; at the northeast corner of "F" and Seventeenth streets change the grade from 69.00 feet above said datum line, to 67.00 feet above said line; at the southwest corner of "F" and Seventeenth streets change the grade from 68.00 feet above said datum line, to 66 feet above said line; at the northwest corner of "F" and Seventeenth streets change the grade from 68.00 feet above said datum line, to 66.00 feet above said line; at the southwest corner of "F" and Eighteenth streets establish the grade at 70.00 feet above said datum line; at the northwest corner of "F" and Eighteenth streets fix and establish the grade at 70.00 feet above said datum line.

The grade of said "F" street, between the points fixed by this resolution, shall be of uniform ascent and descent; that the center line of said portion of said "F" street shall have an average elevation of the opposite curb grades; that the numbers used above, where their meaning is not shown to be otherwise by their immediate context, mean the number of feet which the points designated in the proposed new grade shall be above the city datum line of levels as fixed by Ordinance No. 3 of the ordinances of the City of San Diego, entitled: "An Ordinance Establishing a Datum Line for the Grading of Streets in the City of San Diego, State of California, and Providing for the Manner of Establishing Grades by Ordinances," approved June 30th, 1886.

That the district to be benefited by the said proposed change of grade and to be assessed to pay the costs of the same be and the same is hereby designated and established as follows, to-wit:

Commencing at a point 150 feet north of the point where the north line of "F" street intersects the east line of Fourteenth street; thence running at right angles east, to a point on the west line of Eighteenth street 150 feet north of a point where the north line of "F" street intersects the said west line of Eighteenth street; thence running at right angles south along the said west line of Eighteenth street, to a point 150 feet south of a point where the south line of "F" street intersects the said west line of Eighteenth street; thence at right angles west, to a point 150 feet south of a point where the south line of "F" street intersects the east line of Fourteenth street; thence running north along the said east line of Fourteenth street, to the place of beginning; as shown upon the plat thereof, hereto attached, marked "Exhibit A," and hereby made a part hereof.

That the City Clerk of the said City of San Diego be and he is hereby directed to cause this Resolution of Intention to be published for ten days in the newspaper in which the official notices of the Common Council of said city are usually printed and published, to-wit, the San Diego Sun, a daily newspaper published and circulated in said city, in every regular issue of said newspaper, during the said period of ten days; which newspaper is hereby designated as the newspaper in which this Resolution of Intention shall be published in the manner and by the persons required by law.

That the Superintendent of Streets of said city be and he is hereby ordered and directed, within five days after the first publication of this resolution, to cause to be conspicuously posted in the manner and form required by law, within the district hereinbefore designated as the district to be benefited by said proposed change of grade, notices of the passage of this resolution.

Passed and adopted by the Board of Delegates of the City of San Diego, California, this 13th day of February, 1899, by the following vote, to-wit:

AYES—Delegates Barnes, Frary, Hakes, Thorp, Wright, A. Morgan, Lambert, Doddridge, Landis, Urban, James and Perrin.

Changing Grade of Twenty-Third Street From G to North Line of Sherman's Addition.

RESOLUTION OF INTENTION

To Change the Grade of that Portion of Twenty-third Street in the City of San Diego, California, from the South Line of G street to the Northern Boundary Line of Sherman's Addition.

Whereas, The owners of a majority of the property affected by the herein proposed change of the grade of that portion of Twenty-third street in the City of San Diego, California, from the south line of G street to the northern boundary line of Sherman's Addition, have petitioned the Common Council of the City of San Diego, California, to change the grade of that portion of said Twenty-third street between said points.

And Whereas, It appears to the said Common Council and said Common Council hereby finds that the said petition contains the names of the owners of a majority of the property affected by the said proposed change of grade; now, therefore,

Be It Resolved, By the Common Council of the City of San Diego, California, that it be and is hereby declared to be the intention of the Common Council of the said City of San Diego, California, to change and establish the grade of that portion of Twenty-third street in the City of San Diego, California, from the south line of G street to the northern boundary line of Sherman's Addition, as follows:

"At the intersection of the east line of Twenty-third street with the north line of Sherman's Addition, change the grade from one hundred and twenty-three and two tenths (123.2) feet above the datum line of levels as fixed by Ordinance No. 3 of the ordinances of said City of San Diego, entitled "An ordinance establishing a datum line for the grading of streets in the City of San Diego, State of California, and providing for the manner of establishing grades by ordinances," approved June 30th, 1886, to one hundred and twenty-seven and five-tenths (127.5) feet above said datum line; at the intersection of the west line of the said Twenty-third street with the said north line of Sherman's Addition, change the grade from one hundred and twenty-one and nine-tenths (121.9) feet above said datum line to one hundred and twenty-six and four-tenths (126.4) feet above said datum line.

The grade of Twenty-third street between the points fixed by this Resolution shall be of uniform ascent and descent; that the center line of said portion of said Twenty-third street shall have an average elevation of the opposite curb grades; that the numbers

used above where their meaning is not shown to be otherwise by their immediate context, mean the number of feet which the points designated in the proposed new grade shall be above the City datum line of levels as fixed by the said Ordinance No. 3 of the ordinances of the said City of San Diego, entitled "An Ordinance Establishing a Datum Line for the Grading of Streets in the City of San Diego, California, in the City of San Diego, California, and Providing for the Manner of Establishing Grades by Ordinance," approved June 30th, 1886.

That the district to be benefited by the said proposed change of grade and to be assessed to pay the cost of the same be, and the same is hereby designated and established as follows, to-wit:

Commencing at a point on the south line of G street one hundred (100) feet west of a point where the said south line of G street is intersected by the west line of Twenty-third street; thence running east along the said south line of G street to a point one hundred (100) feet east of the point where the said south line of G street is intersected by the east line of Twenty-third street; thence running at right angles south to the northern boundary line of Sherman's Addition; thence running west along the said northern boundary line of Sherman's Addition to the northeast corner of Lot five (5) in Block nine (9) of Sherman's Addition; thence running at right angles south along the east line of the said Lot five (5) one hundred (100) feet; thence running at right angles west fifty (50) feet to the west line of the said Lot five (5); thence running at right angles north along the said west line of said Lot five (5) one hundred (100) feet to the said northern boundary line of the said Sherman's Addition; thence running west along said northern boundary line of the said Sherman's Addition one hundred (100) feet; thence running at right angles north to the place of beginning.

That the City Clerk of the said City of San Diego, be, and he is hereby directed to cause this Resolution of Intention to be published for ten (10) days in the newspaper in which the official notices of the Common Council of the said City are usually printed and published, to-wit: the San Diego Vidette, a daily newspaper published and circulated in said City, in every regular issue of said newspaper, during the said period of ten (10) days; which newspaper is hereby designated as the newspaper in which this Resolution of Intention shall be published in the manner and by the persons required by law.

That the Superintendent of Streets of said City be and he is hereby ordered and directed, within five (5) days after the first publication of this Resolution, to cause to be conspicuously posted in the manner and form required by law, within the district hereinbefore designated as the district to be benefited by said proposed change of grade, notices of the passage of this Resolution.

Passed and adopted by the Board of Delegates of the said City of San Diego, California, this 28th day of August, 1899, by the following vote, to-wit:

Changing the Grade of 9th Street

Resolution of Intention

To Change the Grade of Ninth Street in the City of San Diego, California, from the South Line of Beech Street to the North Line of Ash Street.

Whereas, the owners of a majority of the property affected by the herein proposed change of the grade of that portion of Ninth street in the City of San Diego, California, from the south line of Beech street to the north line of Ash street have petitioned the Common Council of the City of San Diego, California, to change the grade of that portion of said Ninth street between said points; and

Whereas, the Common Council of the said City of San Diego finds that the said petition contains the names of the owners of a majority of the property affected by said proposed change of grade,

Now, therefore, be it resolved, that it is the intention of the Common Council of the said City of San Diego to change and establish the grade of that portion of said Ninth street in the said city of San Diego from the south line of Beech street to the north line of Ash street as follows:

At a point on the east side of Ninth street 150 feet south of the southeast corner of Beech and Ninth streets change the grade elevation from 107.50 feet above the datum line of levels as fixed by ordinance No. 3 of the ordinances of the said City of San Diego, entitled, "An ordinance establishing a datum line for the grading of streets in the City of San Diego, State of California, and providing for the manner of establishing grades by ordinance," approved June 30th, 1886, to 109 feet above said datum line of levels.

The grade of all points heretofore fixed by the ordinances of said city shall be and remain as they now are on the said Ninth street from the said south line of Beech street to the said line of Ash street, except as herein provided to be changed, and that there shall be a uniform ascent and descent between all points at which the grade elevations shall be so established on the said Ninth street from the south line of Beech street to the north line of Ash street.

The center line of said Ninth street from the said south line of Beech street to the said north line of Ash street shall have an average elevation of the opposite curb grades.

The district to be benefited by the said proposed change of grade and to be assessed to pay the cost of the same is hereby designated and established as follows:

Commencing on the southeast corner of Beech and Ninth streets, thence running in a westerly direction 80 feet to the southwest corner of said Beech and Ninth streets; thence running in a southerly direction following the west line of Ninth street 300 feet to the northwest corner of said Ninth and Ash streets; thence running in a easterly direction 80 feet to the northeast corner of said Ninth and Ash streets; thence running in a northerly direction following the east line of said Ninth street 300 feet to the place of beginning.

The City Clerk of said City is hereby directed to cause this resolution of intention to be published for ten (10) days in the newspaper in which the official notice of the Common Council of said city are usually printed and published, to-wit: The San Diego Union and Daily Bee, a daily newspaper published and circulated in said city, in every regular issue of said newspaper during said period of ten days, which newspaper is hereby designated as the newspaper in which this resolution of intention shall be published in the manner and by the person required by law.

The Superintendent of Streets is hereby ordered and directed, within five days after the first publication of this resolution, to cause to be conspicuously posted in the manner and form required by law within the district herein above designated as the district to be benefited by the proposed change of grade, notices of the passage of this resolution.

Passed and adopted by the Board of Delegates of the City of San Diego, California, this 19th day of December, 1901, by the following vote, to-wit:

Ayes — Delegates Butler, Thorpe, Clark, Guinan, Blair, Bradbury, Lambert, McNeill, Kayser, Briggs, Lewis, Woolman and Ecker.

Noes—None.

Absent—Delegates Chapman, Jenks, Gutwillig, Burnell and Busch.

W. H. C. ECKER,

President of the Board of Delegates of the City of San Diego, California.

Passed and adopted by the Board of Aldermen of the City of San Diego, California, this 16th day of December, 1901, by the following vote, to-wit:

Ayes — Aldermen Clark, Whitson, Rainbow, Perrin, Hyers and Watson.

Noes—None.

Absent—Aldermen Perrin, Landis and Jones.

J. P. M. RAINBOW,

President pro tem of the Board of Aldermen of the City of San Diego, California.

I hereby certify that the above and foregoing resolution of intention was passed by the Common Council of the City of San Diego, California, as follows, to-wit: by said Board of Delegates at the time and by the vote above stated, and by the said Board of Aldermen at the time and by the vote above stated.

GEO. D. GOLDMAN,

City Clerk of the City of San Diego, California, and Ex-Officio Clerk of the Common Council of the City of San Diego, California.

I hereby approve the foregoing resolution this 20th day of December, 1901.

FRANK P. FRARY,

Mayor of the City of San Diego, California.

Change of Grade S.W. Cor 3^d & Plaza

Resolution of Intention

To Change the Grade of That Portion of Third Street in the City of San Diego, California, at the Southwest Corner of the "Plaza" and the Grade of That Portion of Said "Plaza" on the South Line Thereof One Hundred (100) Feet East of the East Line of Said Third Street.

Whereas, the owners of a majority of the property affected by the herein proposed change of grade of that portion of Third street in the City of San Diego, California, at the southwest corner of the "Plaza", being a point on the east line of said Third street 145 feet south of a point where the said east line of said Third street intersects the south line of "D" street, and the grade of that portion of said "Plaza" in said City on the south line thereof 100 feet east of the east line of said Third street, have petitioned the Common Council of said City to change the grade of the said Third street at said point and the said "Plaza" at said point; and

Whereas, the Common Council of the said City of San Diego finds that the said petition contains the names of the owners of a majority of the property affected by the said proposed change of grade, now, therefore,

Be it resolved, that it is the intention of the Common Council of the said City of San Diego to change and establish the grade of that portion of Third street in the said City of San Diego at the southwest corner of the "Plaza" on the east line of said Third street 145 feet south of a point where the said east line of Third street intersects the south line of "D" street, and the grade of that portion of said "Plaza" in said City on the south line thereof 100 feet east of the east line of the said Third street as follows:

To change and establish the grade of that portion of said Third street on the east line thereof at the southwest corner of said "Plaza", being at a point on the east line of said Third street 145 feet south of the point where the east line of said Third street intersects the said south line of "D" street, from 39 feet above the datum-line of levels as fixed by Ordinance No. 2 of the ordinances of the said City of San Diego, entitled, "An ordinance establishing a datum-line for the grading of streets in the City of San Diego, State of California, and providing for the manner of establishing grades by ordinance", approved June 30th, 1896 to 38.5 feet above said datum-line.

And to change and establish the grade of that portion of said "Plaza" on the south line thereof 100 feet east of the east line of said Third street from 39.85 feet above the datum-line of levels as fixed by said Ordinance No. 3 to 39 feet above said datum-line. Said "Plaza" being bounded on the east by Fourth street, on the north by "D" street and on the west by Third street.

The grade of all points heretofore fixed by the ordinances of said City shall be and remain as they now are on said Third street and said "Plaza", except as herein provided to be changed.

That there shall be a uniform ascent and descent between all points at which the grade elevations shall be so established.

The district to be benefited by said proposed change of grade and to be assessed to pay the cost of the same is hereby designated and established as follows:

Commencing at a point on the east line of Third street 145 feet south of the point where the east line of said Third street intersects the south line of "D" street, thence running south along the said east line of Third street to the south line of "E" street; thence running east along the said north line of "E" street 50 feet; thence running north and parallel to the said east line of Third street to the north line of the alley in Block 42 of Horton's Addition to the said City of San Diego; thence running east along the said north line of said alley to the west line of Fourth street; thence running north along said west line of Fourth street to the southeast corner of the "Plaza", being a point on the said west line of Fourth street 145 feet south of the point where the south line of "D" street intersects the west line of Fourth street; thence running west along the said south line of said "Plaza" to the point of commencement.

The City Clerk of said City is hereby directed to cause this Resolution of Intention to be published for ten (10) days in the newspaper in which the official notices of the Common Council of said City are usually printed and published, to-wit: the San Diego Union and Daily Bee, a daily newspaper published and circulated in said City, in every regular issue of said newspaper during said period of ten (10) days, which newspaper is hereby designated as the newspaper in which this Resolution of Intention shall be published in the manner and by the person required by law.

The Superintendent of Street is hereby ordered and directed, within five days after the first publication of this Resolution, to cause to be conspicuously posted in the manner and form required by law within the district herein above designated as the district to be benefited by the proposed change of grade, notices of the passage of this Resolution.

Passed and adopted by the Board of Delegates of the City of San Diego, California, this 20th day of January, 1902, by the following vote, to-wit:

Ayes: Delegates—Thorpe, Chapman, Jenks, Clark, Guinan, Blair, Lambert, McNeill, Gutwillig, Burnell, Briggs, Lewis, Woolman and Ecker.

Noes: None.

Absent: Delegates—Butler, Bradbury, Kayser and Busch.

Notice of Street Work.

Notice is hereby given, that the Common Council of the City of San Diego, State of California, on the 31st day of December, 1902, adopted a Resolution of Intention to order the following work to be done, to-wit: That the grade of that portion of K street, in the City of San Diego, California, at a point on the south line of said "K" street 250 feet east of the point where the said south line of "K" street intersects the east line of Fourteenth street, at a point on the north line of said "K" street 250 feet east of a point where the said north line of "K" street intersects the said east line of Fourteenth street, as follows:

At the said point on the said south line of "K" street 250 feet east of the point where the said south line of "K" street intersects the said east line of Fourteenth street, change the grade elevation from thirteen (13) feet above the datum line of levels as fixed by Ordinance No. 3 of the Ordinances of the said city, entitled, "An Ordinance establishing a datum line for the grading of streets in the City of San Diego, State of California, and providing for the manner of establishing grades by ordinance," approved on the 30th day of June, 1886, to fourteen and two-tenths (14.2) feet above the said datum line of levels.

At the said point on the said north line of "K" street, 250 feet east of the said point where the said north line of "K" street intersects the said east line of Fourteenth street, change the grade elevation from thirteen (13) feet above said datum line of levels to fourteen and eight-tenths (14.8) feet above said datum line of levels.

That the grade of all points heretofore fixed by the ordinances of said city shall be and remain as they now are on the said "K" street, except as herein provided to be changed.

That there shall be a uniform ascent and descent between all points at which the grade elevations shall be so established.

That the district to be benefited by the said proposed change of grade and to be assessed to pay the cost of the same is hereby designated and established as follows:

Commencing at a point where the south line of said "K" street intersects the east line of Fourteenth street, thence running south along the said east line of Fourteenth street to the south line of Lot "A" in Block 171 of Horton's Addition; thence running at right angles east along the south line of Lots A and L in said Block 171 of said Horton's Addition to the east line of Horton's Addition; thence running south along the east line of said Horton's Addition to the south line of Lot 1 in Block 37 of Sherman's Addition; thence running at right angles east along the south line of Lots 1, 2, 3 and 4, in Block 37 of said Sherman's Addition to the west line of Fifteenth street thence running north along the west line of Fifteenth street to the north line of Lot 13 in Block 36 of said Sherman's Addition; thence running at right angles west along the north line of Lots 13, 14, 15 and 16 in said Block 36 of said Sherman's Addition to the west line of said Sherman's Addition; thence running at right angles south along the said west line of Sherman's Addition to the north line of Lot "C" in Block 172 of Horton's Addition; thence running at right angles west along the north line of Lots "G" and "F" in said Block 172 of the said Horton's Addition to the said east line of Fourteenth street; thence running at right angles south along the said east line of Fourteenth street to the place of beginning.

Said Resolution was approved by the Mayor of said City on the 6th day of January, 1903.

For further particulars reference is hereby made to said Resolution of Intention on file in the office of the City Clerk of said city, and the same is hereby made a part hereof.

S. W. HACKETT,
Superintendent of Streets of the City of San Diego, California.
Dated San Diego, California, January 13th, 1903.

Resolution of Intention

To Change the Grade of "K" Street in the City of San Diego, California, at a Point on the South Line of Said "K" Street 250 Feet East of the Point Where the Said South Line of "K" Street Intersects the East Line of Fourteenth Street, and at a Point on the North Line of said "K" Street 250 Feet East of a Point Where the Said North Line of "K" Street Intersects the Said East Line of Fourteenth Street.

Whereas, the owners of a majority of the property affected by the herein proposed change of the grade of that portion of "K" street in the City of San Diego, California, at a point on the south line of said "K" street 250 feet east of the point where the said south line of "K" street intersects the said east line of Fourteenth street, and at a point on the north line of the said "K" street 250 feet east of a point where the said north line of "K" street intersects the said east line of Fourteenth street, have petitioned the Common Council of the City of San Diego, California, to change the grade of that portion of said "K" street at the said points; and

Whereas, the said Common Council of the said City of San Diego hereby finds that said petition contains the names of the owners of a majority of the property affected by said proposed change of grade.

Now, therefore, be it resolved, that it is the intention of the Common Council of the said City of San Diego to change and establish the grade of that portion of the said "K" street in the said city of San Diego at a point on the south line of the said "K" street 250 feet east of the point where the said south line of "K" street intersects the east line of Fourteenth street, and at a point on the north line of the said "K" street 250 feet east of a point where the said north line of "K" street intersects the said east line of Fourteenth street, as follows:

At the said point on the said south line of "K" street 250 feet east of the point where the said south line of "K" street intersects the said east line of Fourteenth street, change the grade elevation from thirteen (13) feet above the datum-line of levels as fixed by Ordinance No. 3 of the ordinances of said City, entitled, "An ordinance establishing a datum-line for the grading of streets in the City of San Diego, State of California, and providing for the manner of establishing grades by ordinance," approved on the 30th day of June, 1886, to fourteen and two-tenths (14.2) feet above the said datum-line of levels.

At the said point on the said north line of "K" street 250 feet east of the said point where the said north line of "K" street intersects the said east line of Fourteenth street, change the grade elevation from thirteen (13) feet above said datum-line of levels to fourteen and eight-tenths (14.8) feet above said datum-line of levels.

That the grade of all points heretofore fixed by the ordinances of said City shall be and remain as they now are on the said "K" street, except as herein provided to be changed.

That there shall be a uniform ascent and descent between all points at which the grade elevations shall be so established.

That the district to be benefited by the said proposed change of grade and to be assessed to pay the cost of the same is hereby designated and established as follows:

Commencing at a point where the south line of said "K" street intersects the east line of Fourteenth street; thence running south along the said east line of Fourteenth street to the south line of Lot "A" in Block 171 of Horton's Addition; thence running at right angles east along the south line of lots A and L in said block 171 of said Horton's Addition to the east line of said Horton's Addition; thence running

south along the east line of said Horton's Addition to the south line of Lot 1 in Block 37 of Sherman's Addition; thence running at right angles east along the south line of Lots 1, 2, 3 and 4, in Block 37 of said Sherman's Addition to the west line of Fifteenth street; thence running north along the west line of Fifteenth street to the north line of Lot 13 in Block 36 of said Sherman's Addition; thence running at right angles west along the north line of Lots 13, 14, 15 and 16 in said Block 36 of said Sherman's Addition to the west line of said Sherman's Addition; thence running at right angles south along the said west line of said Sherman's Addition to the north line of Lot "G" in Block 172 of Horton's Addition; thence running at right angles west along the north line of Lots "G" and "F" in said Block 172 of the said Horton's Addition to the said east line of Fourteenth street; thence running at right angles south along the said east line of Fourteenth street to the place of beginning.

All of said Lots and Blocks and the exterior boundary of said district being in the City of San Diego, County of San Diego, State of California.

The City Clerk of said City is hereby directed to cause this Resolution of Intention to be published for ten (10) days in the newspaper in which the official notices of the Common Council of said City are usually printed and published, to-wit: the San Diego Union and Daily Bee, a daily newspaper published and circulated in said City, in every regular issue of said newspaper during said period of ten days, which newspaper is hereby designated as the newspaper in which this Resolution of Intention shall be published in the manner and by the person required by law.

The Superintendent of Streets of said City is hereby ordered and directed, within five days after the first publication of this Resolution, to cause to be conspicuously posted in the manner and form required by law within the district herein above designated as the district to be benefited by the proposed change of grade, notices of the passage of this Resolution.

NOTICE OF STREET WORK

NOTICE IS HEREBY GIVEN, that the Common Council of the city of San Diego, State of California, on the 16th day of February, 1903, adopted a Resolution of Intention to order the following work to be done, to-wit: To Change the Grade of

“ H ” STREET

In the City of San Diego, California, at the southwest corner of “ H ” street and Twenty-Fourth street, and at the southeast corner of “ H ” street and Twenty-fourth street, as follows :

At the southwest corner of the intersection of the said “ H ” street with Twenty-Fourth street, change the grade elevation from 126.5 feet above the datum line of levels as fixed by Ordinance No. 3 of the Ordinances of said City, entitled “ An ordinance establishing a datum line for the grading of streets in the City of San Diego, State of California, and providing for the manner of establishing grades by ordinance,” approved June 30th, 1886, to 125.5 feet above said datum line of levels.

At the southeast corner of the intersection of the said “ H ” street with Twenty-Fourth street, change the grade elevation from 128 feet above said datum line of levels to 127 feet above said datum line of levels.

That the grade of all points heretofore fixed by the ordinances of said City shall be and remain as they now are on the said “ H ” street, except as herein specified to be changed.

That there shall be a uniform ascent and decent between the points at which the grade elevations shall have been so established.

That the district to be benefitted by the said proposed change of grade, and assessed to pay the cost of the same, is hereby designated and established as follows:

Commencing at a point where the south line of said “ H ” street intersects the east line of Twenty-fourth street; thence running east along the said south line of “ H ” street to a point where the said south line of “ H ” street intersects the west line of Twenty-fifth street; thence running south along said west line of Twenty-fifth street to a point where the west line of Twenty-fifth street intersects the north line of the alley in block nine (9) of Kimball's Addition; thence running west along the said north line of the said alley in block nine (9) of the said Kimball's Addition to a point twenty-five (25) feet east of the east line of Twenty-fourth street; thence running at right angles south to the north line of “ I ” street; thence running west along the said north line of “ I ” street to the west line of lot nine (9) in block ten (10) of Sherman's Addition; thence running north along the west line of said lot nine (9) and the west line of lot eight (8) in the same block to the south line of said “ H ” street; thence running east along the said south line of “ H ” street to the place of commencement.

All of said lots and blocks and the exterior boundary of said district being in the City of San Diego, County of San Diego, State of California.

Said Resolution was approved by the Mayor of said City on the 17th day of February, 1903.

For further particulars reference is hereby made to said Resolution of Intention on file in the office of the City Clerk of said City and the same is hereby made a part hereof.

Change Grade of 3rd Intersec. 3 & Olive

Resolution of Intention

To Change the Grade of Third Street in the City of San Diego, California, at the Southwest Corner of the Intersection of the Said Third Street With Olive Street, at the Southeast Corner of the Intersection of the Said Third Street With Olive Street, at the Northeast Corner of the Intersection of the Said Third Street With Olive Street, and at the Northwest Corner of the Intersection of the Said Third Street With Olive Street.

Whereas, the owners of a majority of the property affected by the herein proposed change of the grade of that portion of Third street in the City of San Diego, California, at the southwest corner of the intersection of the said Third street with Olive street, at the southeast corner of the intersection of the said Third street with Olive street, at the northeast corner of the intersection of the said Third street with Olive street, and at the northwest corner of the intersection of the said Third street with Olive street, have petitioned the Common Council of the City of San Diego, California, to change the grade of that portion of the said Third street at the said points; and

Whereas, the said Common Council of the said City of San Diego hereby finds that said petition contains the names of the owners of a majority of the property affected by said proposed change of grade,

Now, therefore, be it resolved, that it is the intention of the Common Council of the said City of San Diego to change and establish the grade of that portion of the said Third street in the said City of San Diego at the southwest corner of the intersection of the said Third street with Olive street, at the southeast corner of the intersection of the said Third street with Olive street, at the northeast corner of the intersection of the said Third street with Olive street, and at the northwest corner of the intersection of the said Third street with Olive street, as follows:

At the said southwest corner of the said intersection of the said Third street with Olive street, change the grade elevation from 262 feet above the datum line of levels as fixed by Ordinance No. 3 of the ordinances of said City, entitled, "An ordinance establishing a datum line for the grading of streets in the City of San Diego, State of California, and providing for the manner of establishing grades by ordinance", approved June 30th, 1886, to 261 feet above the said datum line of levels;

At the said southeast corner of the said intersection of the said Third street with Olive street, change the grade elevation from 263 feet above said datum line of levels to 262 feet above said datum line of levels;

At the said northeast corner of the said intersection of the said Third street with Olive street, change the grade elevation from 263 feet above said datum line of levels to 262 feet above said datum line of levels;

At the said northwest corner of the said intersection of the said Third street with Olive street, change the grade elevation from 262 feet above the said datum line of levels to 261 feet above the said datum line of levels.

That the grade elevations of all points heretofore fixed by the ordinances of said City shall be and remain as they now are on the said Third street, except as herein specified to be changed.

That there shall be a uniform ascent and descent between the points at which the grade elevations shall have been so established on the said Third street when the said grade elevations shall have been so changed.

That the district to be benefited by the said proposed change of grade, and to be assessed to pay the cost of the same, is hereby designated and established as follows:

Commencing at the point where the east line of Third street intersects the north line of Nutmeg street; thence running east along the said north line of Nutmeg street for a distance of one hundred (100) feet; thence running at right angles north to a point fifty (50) feet south of the south line of Olive street; thence running at right angles east to the west line of Fourth street; thence running north along the west line of Fourth street to a point on the said west line of Fourth street fifty (50) feet north of the north line of Olive street; thence running at right angles west to a point one hundred (100) feet west of the west line of Fourth street; thence running at right angles north to a point on the south line of Palm street one hundred (100) feet east of the east line of Third street; thence running west along the said south line of Palm street to a point one hundred (100) feet west of the west line of Third street; thence running at right angles south to a point fifty (50) feet north of the north line of Olive street; thence running at right angles west to a point on the east line of Second street fifty (50) feet north of the north line of Olive street; thence running south along the east line of Second street to a point fifty (50) feet south of the south line of Olive street; thence running at right angles east for a distance of one hundred (100) feet; thence running at right angles south to a point on the north line of Nutmeg street one hundred (100) feet west of the west line of Third street; thence running east along the said north line of Nutmeg street to the place of commencement.

All of said lots and blocks and the exterior boundary of said district being in the City of San Diego, County of San Diego, State of California.

The City Clerk of said City is hereby directed to cause this Resolution of Intention to be published for ten days in the newspaper in which the official notices of the Common Council of said City are usually printed and published, to-wit, the San Diego Union and Daily Bee, a daily newspaper published and circulated in said City, in every regular issue of said newspaper during said period of ten days, which newspaper is hereby designated as the newspaper in which the Resolution of Intention shall be published in the manner and by the person required by law.

The Superintendent of Streets of said City is hereby ordered and directed; within five days after the first publication of this Resolution, to cause to be conspicuously posted in the manner and form required by law within the district herein above designated as the district to be benefited by the proposed change of grade, notice of the passage of this Resolution.

Passed and adopted by the Board of Delegates of the City of San Diego, California, this 16th day of February, 1903, by the following vote, to-wit:

Ayes—Delegates Thorpe, Chapman, Kretzinger, Gulman, Bradbury, Lambert, McNeil, Ecker, Burnell, Briggs,

Whereas, the owners of a majority of the property affected by the herein proposed change of that portion of "H" street in the City of San Diego, California, at a point on the north line thereof 250 feet east of the northeast corner of Twenty-second street and "H" street, have petitioned your Honorable Body to change and establish the grade of the said "H" street at the said point; and

Whereas, the Common Council of the said City of San Diego hereby finds that said petition contains the names of the owners of a majority of the property affected by the said proposed change of grade,

Now, therefore, be it resolved, by the Common Council of the City of San Diego, as follows:

That it is the intention of the Common Council of the said city of San Diego to change and establish the grade of that portion of the said "H" street in the said City of San Diego, at the said point on the north line of the said "H" street, 250 feet east of the northeast corner of Twenty-second street and "H" street, as follows:

At the said point on the north line of "H" street 250 feet east of the northeast corner of Twenty-second street and "H" street, change the grade elevation from 120 feet above the datum line of levels as fixed by Ordinance No 3 of the ordinances of the said City of San Diego, entitled "An ordinance establishing a datum line for the grading of streets in the City of San Diego, State of California, and providing for the manner of establishing grades by ordinance," approved on the 30th day of June, 1886, to 122 feet above the said datum line of levels.

That the grade of the said "H" street on the north line thereof, 25 feet east of the northeast corner of Twenty-second street and "H" street, be fixed, established, and remain as it now is, that is to say, that the grade of the said "H" street at said point shall be and remain at 116.40 feet above said datum line of levels.

That the grade elevations of all points heretofore fixed by the ordinances of said City shall be and remain as they now are on the said "H" street, except as herein proposed to be changed.

That there shall be a uniform ascent and descent between the points at which the grade elevations shall have been so established on the said "H" street when the grade elevations shall have been so changed.

That the district to be benefited by the said proposed change of grade, and to be assessed to pay the cost of the same, is hereby designated and established as follows:

Commencing at a point where the north line of "H" street intersects the east line of Twenty-second street; thence running north along the said east line of Twenty-second street to the north line of Sherman's Addition to the said City of San Diego; thence running east along the said north line of Sherman's Addition to a point where the said north line of Sherman's Addition intersects the west line of Twenty-fourth street; thence running south along the said west line of Twenty-fourth street to a point where the said west line of Twenty-fourth street intersects the said north line of "H" street; thence running west along the said north line of "H" street to the place of beginning.

All of said lots and blocks and the exterior boundary of said district being in the City of San Diego, County of San Diego, State of California.

The City Clerk of said City is hereby directed to cause this Resolution of Intention to be published for ten days in the newspaper in which the official notices of the Common Council of said City are usually printed and published, to-wit, the San Diego Union and Daily Bee, a daily newspaper published and circulated in said City, in every regular issue of said newspaper during said period of ten days, which newspaper is hereby designated as the newspaper in which this Resolution of Intention shall be published in the manner and by the person required by law.

The Superintendent of Streets of said City is hereby ordered and directed, within five days after the first publication of this Resolution, to cause to be conspicuously posted in the manner and form required by law within the district hereinabove designated as the district to be benefited by the proposed change of grade, notice of the passage of this Resolution.

Passed and adopted by the Board of Delegates of the City of San Diego, California, this 6th day of May, 1905, by the following vote, to-wit:

To Change the Grade of "K" Street in the City of San Diego, California, at a Point Thereon Where the South Line of the said "K" Street Intersects the East Line of Twelfth Street, and at a Point Where the said South Line of "K" Street Intersects the West Line of Thirteenth Street.

Whereas, the owners of a majority of the property affected by the herein proposed change of the grade of that portion of "K" street in the City of San Diego, California, at a point thereon where the south line of the said "K" street intersects the east line of Twelfth street, and at a point where the said south line of "K" street intersects the west line of Thirteenth street, have petitioned the Common Council of the City of San Diego, California, to change the grade of that portion of the said "K" street at said points, and

Whereas, the said Common Council of the said City of San Diego, hereby finds that said petition contains the names of the owners of a majority of the property affected by the said proposed change of grade.

Now, therefore, be it resolved, that it is the intention of the Common Council of the said City of San Diego to change and establish the grade of that portion of the said "K" street in the said City of San Diego at a point thereon where the south line of the said "K" street intersects the east line of Twelfth street, and at a point where the said south line of "K" street intersects the west line of Thirteenth street, as follows:

At a point where the south line of "K" street intersects the east line of Twelfth street change the grade elevation from 19.50 feet above the datum line of levels as fixed by ordinance No. 3 of the ordinances of the said City of San Diego, entitled, "An ordinance establishing a datum line for the grading of streets in the City of San Diego, State of California, and providing for the manner of establishing grades by ordinance," approved on the 30th day of June 1886, to 18.50 feet above said datum line of levels.

At a point where the said south line of "K" street intersects the west line of Thirteenth street change the grade elevation from 12 feet above said datum line of levels to 11.5 feet above said datum line of levels.

That the grade elevation of all points heretofore fixed by the ordinances of said City shall be and remain as they now are on the said "K" street, except as herein specified to be changed.

That there shall be a uniform ascent and descent between the points at which the grade elevations shall have been so established on the said "K" street when the said grade elevations shall have been so changed.

That the district to be benefited by said proposed change of grade, and to be assessed to pay the cost of the same, is hereby designated and established as follows:

Commencing at a point where the east line of Twelfth street intersects the south line of "K" street; thence running east along the said south line of "K" street to the west line of Thirteenth street; thence running south along the west line of Thirteenth street to the north line of "L" street; thence running west along the north line of "L" street to the east line of Twelfth street; thence running north along the east line of Twelfth street to the south line of "K" street, being all the lots in block 132 of Horton's Addition in the City of San Diego, California.

All of said lots and blocks and the exterior boundary of said district being in the City of San Diego, County of San Diego, State of California.

The City Clerk of said City is hereby authorized to cause this Resolution of Intention to be published for ten days in the newspaper in which the official notices of the Common Council of said City are usually printed and published, to-wit, the San Diego Union and Daily Bee, a daily newspaper published and circulated in said City, in every regular issue of said newspaper during said period of ten days, which newspaper is hereby designated as the newspaper in which this Resolution of Intention shall be published in the manner and by the person required by law.

The Superintendent of Streets of said City is hereby authorized and directed, within five days after the first publication of this Resolution, to cause to be conspicuously posted in the manner and form required by law, within the district herein above designated as the district to be benefited by the proposed change of grade, notice of the passage of this Resolution.

Passed and adopted by the Board of Delegates of the City of San Diego, California, this 22nd day of June, 1903, by the following vote, to-wit:

Resolution of Intention

To change the grade of "G" street in the City of San Diego, California, at certain points between the east line of Twenty-fourth street and the west line of Twenty-fifth street in said city.

Whereas, the owners of a majority of the property affected by the herein proposed change of the grade of that portion of "G" street in the City of San Diego, California, at the points hereinafter designated and described, have petitioned the Common Council of the said City of San Diego to change the grade of that portion of the said "G" street at said points; and

Whereas, the said Common Council hereby finds that said petition contains the names of the owners of a majority of the property affected by the said proposed change of grade, now, therefore,

Be it resolved, that it is the intention of the Common Council of the said City of San Diego, to change and establish the grade of that portion of the said "G" street in said city as follows:

At a point on the north line of "G" street two hundred and seventy-five feet east of the northeast corner of "G" and Twenty-fourth streets, change the grade elevation from one hundred and fifty-nine and fifty-eight hundredths feet above the datum line of levels as fixed by Ordinance No. 3 of the ordinances of the said City of San Diego, entitled "An ordinance establishing a datum line for the grading of streets in the City of San Diego, State of California, and providing for the manner of establishing grades by ordinance," approved on the 30th day of June, 1886, to one hundred and fifty-nine and sixty-five hundredths feet above said datum line of levels.

At a point on the north line of the said "G" street four hundred feet east of the northeast corner of the said "G" and Twenty-fourth streets, change the grade elevation from one hundred and sixty-four and thirty-three hundredths feet above said datum line of levels, to one hundred and sixty-four and fifty-five hundredths feet above said datum line of levels.

That the grade elevations of all points heretofore fixed by the ordinances of said city shall remain as they now are on the said "G" street, except as herein specified to be changed.

That there shall be a uniform ascent and descent between all points at which the grade elevations shall have been so established on the said "G" street, when said grade elevations shall have been so changed.

That the center line of the said "G" street shall have an average elevation of the opposite curb grades.

That the district to be benefitted by the said proposed change of grade, and to be assessed to pay the cost of the same, is hereby described and established as follows:

Commencing at the northeast corner of Twenty-fourth and "G" streets, thence east, following the north line of the said "G" street six hundred feet to the northwest corner of "G" and Twenty-fifth streets; thence north, following the west line of Twenty-fifth street, one hundred and forty feet to the south line of the alley in block numbered seven of Breed & Chase's addition in the said City of San Diego; thence west along the south line of said alley to the east line of Twenty-fourth street; thence south along the said east line of Twenty-fourth street one hundred and forty feet to the place of beginning.

All of said places being in the City of San Diego, County of San Diego, State of California.

The City Clerk of said city is hereby directed to cause this Resolution of Intention to be published for ten days in the newspaper in which the official notices of the Common Council of said city are usually printed and published, to-wit: The San Diego Union and Daily Bee, a daily newspaper published and circulated in said city, in every regular issue of said newspaper during said period of ten days, which newspaper is hereby

designated as the newspaper in which this Resolution of Intention shall be published in the manner and by the person required by law.

The Superintendent of Streets of said city is hereby ordered and directed, within five days after the first publication of this Resolution, to cause to be conspicuously posted in the manner and form required by law within the district herein above designated as the district to be benefitted by the proposed change of grade, notice of the passage of this Resolution.

Passed and adopted by the Board of Delegates of the City of San Diego, California, this 24th day of February, 1904, by the following vote, to-wit:

Ayes—Delegates Behon, Weed, Chapman, Stewart, Gulman, Simpson, McNeill, Lambert, Ecker, Creelman, Good, Boulder, Williamson, Butler, Lewis and Briggs.

Noes—None.

Absent—Delegates Robert and Wright.

F. H. BRIDGES,
President of the Board of Delegates of the City of San Diego, California.

Passed and adopted by the Board of Aldermen of the City of San Diego, California, this 23rd day of February, 1904, by the following vote, to-wit:

Ayes—Aldermen Crippen, Rainbow, Perrin, Jones, Myers and Kelly.

Noes—None.

Absent—Aldermen Steade, Landis and Johnson.

DAN F. JONES,
President pro tempore of the Board of Aldermen of the City of San Diego, California.

I hereby certify that the above and foregoing Resolution of Intention was passed by the Common Council of the City of San Diego, California, as follows, to-wit: By said Board of Delegates at the time and by the vote above stated, and by the said Board of Aldermen at the time and by the vote above stated.

GEO. D. GOLDMAN,
City Clerk of the City of San Diego, California, and ex-officio Clerk of the Common Council of the City of San Diego, California.

Change Grade 24 1/2
bet
L & M

Resolution of Intention

To Change the Grade of Twenty-fourth Street in the City of San Diego, California, from the North Line of "L" Street to the South Line of "M" Street.

Whereas, the owners of a majority of the property affected by the herein proposed change of the grade of that portion of Twenty-fourth street in the City of San Diego, California, at the point where the east line of the said Twenty-fourth street intersects the north line of "L" street, also at the point where the west line of the said Twenty-fourth street intersects the north line of "M" street; also at the point where the east line of the said Twenty-fourth street intersects the south line of "M" street, and also at the point where the west line of the said Twenty-fourth street intersects the south line of "M" street, have petitioned the Common Council of the City of San Diego, California, to change the grade of the said Twenty-fourth street at said points, and

Whereas, the said Common Council of the said City of San Diego, hereby finds that said petition contains the names of the owners of a majority of the property affected by said proposed change of grade,

Now, therefore, be it resolved, that it is the intention of the Common Council of the said City of San Diego, to change and establish the grade of that portion of the said Twenty-fourth street in the said City of San Diego, at said points as follows:

At the point where the east line of Twenty-fourth street intersects the north line of "L" street, change the grade elevation from sixty-four feet above the datum-line of levels, as fixed by Ordinance No. 3 of the Ordinances of said City, entitled, "An Ordinance Establishing a Datum Line for the Grading of Streets in the City of San Diego, State of California, and Providing for the Manner of Establishing Grades by Ordinance," approved on the 29th day of June, 1886, to sixty-three feet above said datum line of levels.

At the said point where the west line of Twenty-fourth street intersects the north line of "M" street, change the grade elevation from fifty-seven feet above said datum-line of levels to fifty-five feet above said datum-line of levels.

At the said point where the east line of Twenty-fourth street intersects the north line of "M" street, change the grade elevation from fifty-seven feet above said datum line of levels to fifty-five feet above said datum-line of levels.

At the said point where the west line of Twenty-fourth street intersects the south line of "M" street, change the grade elevation from fifty-five feet above said datum-line of levels to fifty-four feet above said datum-line of levels.

At the said point where the east line of Twenty-fourth street intersects the south line of "M" street, change the grade elevation from fifty-five feet above said datum-line of levels to fifty-four feet above said datum-line of levels.

That there shall be a uniform ascent and descent between all points at which the grade elevations have been established on the said Twenty-fourth street when the said grade elevations shall have been so changed.

That the center line of the said Twenty-fourth street shall have an average elevation of the opposite curb grades.

That the district to be benefited by the said proposed change of grade and to be assessed to pay the cost of the same is hereby designated and described as follows:

Change the Grade of *L* East line of 24th and

Resolution of Intention

To Change the Grade of "L" Street in the City of San Diego, California, from the East Line of Twenty-fourth Street to the East Line of Twenty-fifth Street.

Whereas, the owners of a majority of the property affected by the herein proposed change of the grade of that portion of "L" street in the City of San Diego, California, at a point thereon where the north line of said "L" street intersects the east line of Twenty-fourth street;

Also at a point thereon where the north line of the said "L" street intersects the west line of Twenty-fifth street;

Also at a point where the north line of the said "L" street intersects the east line of Twenty-fifth street;

Also at a point where the south line of the said "L" street intersects the west line of Twenty-fifth street;

Also at a point where the south line of the said "L" street intersects the east line of Twenty-fifth street, have petitioned the Common Council of the City of San Diego, California, to change the grade of that portion of the said "L" street at said points; and

Whereas, the said Common Council of the said City of San Diego hereby finds that said petition contains the names of the owners of a majority of the property affected by the said proposed change of grade;

Now, therefore, be it resolved, that it is the intention of the Common Council of the said City of San Diego to change and establish the grade of that portion of the said "L" street in the said City of San Diego, as follows:

At the said point where the north line of the said "L" street intersects the east line of the said Twenty-fourth street, change the grade elevation from sixty-four feet above the datum line of levels as fixed by Ordinance No. 3 of the ordinances of said City, entitled, "An ordinance establishing a datum line for the grading of streets in the City of San Diego, State of California, and providing for the manner of establishing grades by ordinance," approved on the 29th day of June, 1886, to sixty-three feet above said datum line of levels.

At the said point where the north line of the said "L" street intersects the west line of the said Twenty-fifth street, change the grade elevation from sixty-eight feet above said datum line of levels to sixty-six feet above said datum line of levels.

At the said point where the north line of the said "L" street intersects the east line of the said Twenty-fifth street, change the grade elevation from sixty-eight feet above said datum line of levels to sixty-six feet above said datum line of levels.

At the said point where the south line of the said "L" street intersects the west line of the said Twenty-fifth street, change the grade elevation from sixty-seven feet above said datum line of levels

to sixty-five feet above said datum line of levels.

At the said point where the south line of the said "L" street intersects the east line of the said Twenty-fifth street, change the grade elevation from sixty-seven feet above said datum line of levels to sixty-five feet above said datum line of levels.

That there shall be a uniform ascent or descent between all points at which the grade elevations have been established on said "L" street when the said grade elevations have been so changed.

That the center line of the said "L" street shall have an average elevation of the opposite curb grades.

That the district to be benefited by the said proposed change of grade, and to be assessed to pay the cost of the same, is hereby designated and described as follows:

Commencing at a point where the east line of Twenty-fourth street intersects the south line of the alley in block twelve of Lincoln Park; thence run north-east along the south line of said alley to a point twenty-five feet west of the west line of Twenty-fifth street; thence running north to a point on the south line of "K" street twenty-five feet west of the said west line of Twenty-fifth street; thence running east along the said south line of "K" street to the west line of the alley running north and south through block nineteen of Lincoln Park; thence running south to a point where the north line of "M" street intersects the west line of the alley running north and south through block eighteen of Lincoln Park; thence running west along the north line of "M" street to a point twenty-five feet west of the west line of Twenty-fifth street; thence running north to a point on the north line of the alley in block thirteen of Lincoln Park twenty-five feet west of the said west line of Twenty-fifth street; thence running west along the north line of said alley in said block thirteen to the east line of Twenty-fourth street; thence running north along the said east line of Twenty-fourth street to the place of beginning.

All of said lots and blocks and the exterior boundary of said district being in the City of San Diego, County of San Diego, State of California.

Said Lincoln Park, formerly known as Frary's addition, being according to the map thereof made by Charles J. Fox, filed in the office of the County Recorder of the County of San Diego, State of California, on the 4th day of January, 1888.

The City Clerk of the said City is hereby directed to cause this Resolution of Intention to be published for ten days in the newspaper in which the official notices of the Common Council of said City are usually printed and published, to-wit, the San Diego Union and Daily Bee, a daily newspaper published and circulated in said City, in every regular issue of said newspaper during said period of ten days, which newspaper is hereby designated as the newspaper in which this Resolution of Intention shall be published in the manner and by the person required by law.

The Superintendent of Streets of said City is hereby ordered and directed, within five days after the first publication of this Resolution, to cause to be conspicuously posted in the manner and form required by law within the district herein above designated as the district to be benefited by the proposed change of grade, notice of the passage of this resolution.

Passed and adopted by the Board of Delegates of the said Common Council of the said City of San Diego, California, this 18th day of April, 1904, by the following vote, to-wit:

Ayes—Delegates Schon, Weed, Chapman, Stewart, Gulnan, Wright, McNeill, Lambert, Ecker, Creedman, Good, Scudder, Williamson, Butler and Briggs.

Change the grade of "C" east line of 25th

Resolution of Intention

To Change the Grade of a Portion of "C" Street in the City of San Diego, California, between the East Line of Twenty-fifth Street and the West Line of Twenty-sixth Street.

Whereas, the owners of a majority of the property affected by the herein proposed change of the grade of that portion of "C" street in the City of San Diego, California, at a point on the north line of "C" street one hundred feet west of the northwest corner of "C" and Twenty-sixth streets:

Also at a point on the south line of "C" street one hundred feet west of the southwest corner of "C" and Twenty-sixth streets:

Also at a point on the north line of "C" street seventy feet west of the northwest corner of "C" and Twenty-sixth streets:

Also at a point on the south line of "C" street seventy feet west of the southwest corner of "C" and Twenty-sixth streets:

Also at the northwest corner of "C" and Twenty-sixth streets:

Also at the southwest corner of "C" and Twenty-sixth streets, have petitioned the Common Council of the said City of San Diego to change the grade of that portion of the said "C" street at said points; and

Whereas, the said Common Council of the said City of San Diego hereby finds that said petition contains the names of the owners of a majority of the property affected by the said proposed change of grade.

Now, therefore, be it resolved, that it is the intention of the Common Council of the said City of San Diego, California, to change and establish the grade of that portion of the said "C" street in the said City of San Diego at said points, as follows:

At the northeast corner of "C" and Twenty-fifth streets the grade elevation shall remain at one hundred and ninety-two (192) feet.

At the southeast corner of "C" and Twenty-fifth streets the grade elevation shall remain at one hundred and ninety-one (191) feet.

At a point on the north line of "C" street one hundred (100) feet west of the northwest corner of "C" and Twenty-sixth streets, change the grade elevation from one hundred and ninety-nine (199) feet to one hundred and ninety-nine and fifty-one hundredths (199.51) feet.

At a point on the south line of "C" street one hundred (100) feet west of the southwest corner of "C" and Twenty-sixth streets, change the grade elevation from one hundred and ninety-nine (199) feet to one hundred and ninety-nine and fifty-one hundredths (199.51) feet.

At a point on the north line of "C" street seventy (70) feet west of the northwest corner of "C" and Twenty-sixth streets change the grade elevation from one hundred and ninety-seven and eighty hundredths (197.80) feet to two hundred (200) feet.

At a point on the south line of "C" street seventy (70) feet west of the southwest corner of "C" and Twenty-sixth streets, change the grade elevation from one hundred and ninety-seven and eighty hundredths (197.80) feet to two hundred (200) feet.

At the northwest corner of "C" and Twenty-sixth streets change the grade elevation from one hundred and ninety-five feet (195) feet to one hundred and ninety-seven (197) feet.

At the southwest corner of "C" and Twenty-sixth streets change the grade elevation from one hundred and ninety-five (195) feet to one hundred and ninety-seven (197) feet.

All of said grade elevations to be above the datum line of levels as fixed by Ordinance number Three of the ordinances of the said City of San Diego, entitled, "An ordinance establishing a datum line for the grading of streets in the City of San Diego, State of California, and providing for the manner of establishing grades by ordinance," approved on the 30th day of June, 1886.

That there shall be a uniform ascent and descent between all points at which such grade elevations shall have been established on the said "C" street when such grade elevations shall have been changed and established, as herein specified.

That the center line of the said "C" street shall have an average elevation of the opposite curb grades.

That the district to be benefited by the said proposed change of grade, and to be assessed to pay the cost of same, is hereby designated and described as follows:

Commencing at a point where the east line of Twenty-fifth street intersects the south line of the alley between "B" and "C" streets; thence running east along the south line of said alley to a point twenty-five feet west of the west line of Twenty-sixth street; thence running north to a point on the south line of "B" street twenty-five feet west of the west line of Twenty-sixth street; thence running east along the south line of "B" street to the east line of Twenty-sixth street; thence running south along the east line of Twenty-sixth street to the north line of "D" street; thence running west along the north line of "D" street to a point twenty-five feet west of the west line of Twenty-sixth street; thence running north to a point on the north line of the alley in block twenty-seven of H. M. Higgin's addition twenty-five feet west of the west line of Twenty-sixth street; thence running west along the north line of said alley to the east line of the alley running north and south in said block twenty-seven; thence running north along the east line of said alley to a point twenty-five feet south of the south line of "C" street; thence running west to a point on the east line of Twenty-fifth street twenty-five feet south of the south line of "C" street; thence running north along the east line of Twenty-fifth street to the place of beginning.

All of said lots and blocks and the exterior boundary of said district being in the City of San Diego, County of San Diego, State of California.

The City Clerk of said City is hereby directed to cause this resolution of intention to be published for ten days in the newspaper in which the official notices of the Common Council of said City are usually printed and published, to-wit, the San Diego Union and Daily Bee, a daily newspaper published and circulated in said City, in every regular issue of said newspaper during said period of ten days, which newspaper is hereby designated as the newspaper in which this Resolution of Intention shall be published in the manner and by the person required by law.

The Superintendent of Streets of said City is hereby ordered and directed, within five days after the first publication of this resolution, to cause to be conspicuously posted in the manner and form required by law within the district herein above designated as the district to be benefited by the proposed change of grade, notice of the passage of this Resolution.

Passed and adopted by the Board of Delegates of the City of San Diego, California, this 18th day of April, 1904, by the following vote, to-wit:

Ayes—Delegates Schon, Weed, Chapman, Stewart, Guinan, Wright, McNeill, Lambert, Ecker, Creelman, Good, Scudder, Williamson, Butler and Briggs.

Also at a point on the south line of the said "K" street three hundred and five feet east of a point where the said south line of "K" street intersects the east line of Twenty-fourth street.

Also at a point on the south line of the said "K" street four hundred feet east of a point where the said south line of said "K" street intersects the east line of Twenty-fourth street.

Also at a point where the south line of the said "K" street intersects the west line of Twenty-fifth street.

Also at a point where the south line of the said "K" street intersects the east line of Twenty-fifth street, have petitioned the Common Council of the City of San Diego, California, to change the grade of that portion of the said "K" street at said points; and

Whereas, the said Common Council of the said City of San Diego, hereby finds that the said petition contains the names of the owners of a majority of the property affected by the said proposed change of grade.

Now, therefore, be it resolved, that is the intention of the Common Council of the said City of San Diego, to change and establish the grade of that portion of the said "K" street in the said City of San Diego, at the said points as follows:

At the said point on the said north line of "K" street two hundred feet east of the point where the said north line of said "K" street intersects the said east line of the said Twenty-fourth street, change the grade elevation from seventy-nine feet above the datum line of levels, as fixed by Ordinance No. 3 of the ordinances of said City, entitled, "An ordinance establishing a datum line for the grading of streets in the City of San Diego, State of California, and providing for the manner of establishing grades by Ordinance," approved on the 29th day of June, 1885, to seventy-two feet above said datum line of levels.

At the said point on the said north line of "K" street three hundred feet east of the said point where the said north line of "K" street intersects the said east line of Twenty-fourth street, change the grade elevation from seventy-eight and fifty hundredths feet above said datum line of levels to seventy and fifty hundredths feet above said datum line of levels.

At the said point on the said north line of the said "K" street four hundred feet east of a point where the said north line of said "K" street intersects the east line of the said Twenty-fourth street, change the grade elevation from seventy-eight and fifty hundredths feet above said datum line of levels to seventy-two feet above said datum line of levels.

At the said point where the north line of the said "K" street intersects the west line of Twenty-fifth street, change the grade elevation from seventy-eight feet above said datum line of levels to seventy-seven feet above said datum line of levels.

At the said point where the north line of the said "K" street intersects the east line of the said Twenty-fifth street, change the grade elevation from seventy-eight feet above said datum line of levels to seventy-seven feet above said datum line of levels.

At the said point on the said south line of the said "K" street two hundred feet east of a point where the south line of the said "K" street intersects the east line of the said Twenty-fourth street, change the grade elevation from seventy-eight feet above said datum line of levels to seventy-one feet above said datum line of levels.

At the said point on the south line of the said "K" street two hundred and ninety-five feet east of a point where the said south line of said "K" street intersects the east line of Twenty-fourth street, change the grade elevation from seventy-eight feet above said datum line of levels to sixty-nine and fifty hundredths feet above said datum line of levels.

At the said point on the south line of the said "K" street three hundred and five feet east of a point where the said south line of the said "K" street intersects the east line of the said Twenty-fourth street, change the grade elevation from seventy-eight feet above said datum line of levels to sixty-nine and fifty hundredths feet above said datum line of levels.

At the said point on the south line of the said "K" street four hundred feet east of a point where the said south line of said "K" street intersects the east line of Twenty-fourth street, change the grade elevation from seventy-seven and fifty hundredths feet above said datum line of levels to seventy-one feet above said datum line of levels.

At the said point where the south line of the said "K" street intersects the west line of the said Twenty-fifth street, change the grade elevation from seventy-seven feet above said datum line of levels to seventy-five and fifty hundredths feet above said datum line of levels.

At the said point where the south line of the said "K" street intersects the east line of the said Twenty-fifth street, change the grade elevation from seventy-seven feet above said datum line of levels to seventy-five and fifty hundredths feet above said datum line of levels.

That there shall be a uniform ascent and descent between all points at which the grade elevations have been established on said "K" street when the said grade elevations have been so changed.

That the center line of the said "K" street shall have an average elevation of the opposite curb grades.

That the district to be benefited by the said proposed change of grade, and to be assessed to pay the cost of the same, is hereby designated and described as follows:

Commencing at a point where the east line of Twenty-fourth street intersects the south line of the alley in block eleven of Kimball's addition; thence running east along the said south line of said alley to a point twenty-five feet west of the west line of Twenty-fifth street; thence running north to a point on the south line of "J" street twenty-five feet west of the said west line of Twenty-fifth street; thence running east along the said south line of "J" street to the west line of the alley running north and south through block twenty of said Kimball's addition; thence running south to a point where the north line of "L" street intersects the west line of the alley running north and south through block nineteen of Lincoln Park; thence running west along the north line of "L" street to a point twenty-five feet west of the west line of Twenty-fifth street; thence running north to a point on the north line of the alley in block twenty of Lincoln Park twenty-five feet west of the said west line of Twenty-fifth street; thence running west along the north line of said alley to the east line of Twenty-fourth street; thence running north along the east line of Twenty-fourth street to the place of beginning.

All of said lots and blocks and the exterior boundary of said district being in the City of San Diego, County of San Diego, State of California.

Said Kimball's addition being according to the map of L. W. Kimball's addition to the said City of San Diego, made by Charles J. Fox, filed in the office of the County Recorder of the County of San Diego, State of California, on the 21st day of March, 1873.

Said Lincoln Park, formerly known as Frary's addition, being according to the map thereof made by Charles J. Fox, filed in the office of the County Recorder of the County of San Diego, State of California, on the 4th day of January, 1883.

The City Clerk of said City is hereby directed to cause this Resolution of Intention to be published for ten days in the newspaper in which the official notices of the Common Council of said City are usually printed and published, to-wit, the San Diego Union and Daily Bee, a daily newspaper published and circulated in said City, in every regular issue of said newspaper during said period of ten days, which newspaper is hereby designated as the newspaper in which this Resolution of Intention shall be published in the manner and by the person required by law.

The Superintendent of Streets of said City is hereby ordered and directed, within five days after the first publication of this Resolution, to cause to be conspicuously posted in the manner and form required by law within the district herein above designated as the district to be benefited by the proposed change of grade, notice of the passage of this Resolution.

Resolution Ordering the Work

Of sidewalk and curbing State street in the city of San Diego, California, from the north line of "D" street to the south line of Ash street.

Resolved by the common council of the city of San Diego, a municipal corporation in the county of San Diego, state of California, that the public interest and convenience of said city require that the street work hereinafter described be done, and therefore the said common council hereby orders the following street work to be done in said city, to-wit:

The sidewalk of that portion of State street in the said city of San Diego, California, on both sides thereof, from the north line of "D" street to the south line of Ash street, including both sides of all intersections of streets between said points (excepting where already sidewalked with concrete, and the north half of the intersection of State and "B" streets, and also excepting such portions of the said State street, and the said intersections of streets between said points, required by law to be kept in order or repair by any person or company having railroad tracks thereon), with concrete, the base or foundation of which shall be three inches in thickness and composed of one part, by volume, of Portland cement, two parts of sand, and four parts of gravel, according to the specifications therefor contained in ordinance numbered eleven hundred and forty of the ordinances of the said city of San Diego, entitled, "An ordinance prescribing specifications for sidewalk and curbing in the city of San Diego, California," approved on the seventeenth day of June, nineteen hundred and two, now on file in the office of the clerk of the said city of San Diego.

Also the curbing of that portion of the said State street, on both sides thereof, from the said north line of "D" street to the said south line of Ash street, including

both sides of all intersections of streets between said points (excepting where already curbed with concrete or natural stone, and the north half of the intersection of State and "B" streets, and also excepting such portions of the said State street and the said intersections of streets between said points, required by law to be kept in order or repair by any person or company having railroad tracks thereon), with concrete according to the specifications therefor contained in said ordinance numbered eleven hundred and forty.

The San Diego Union and Daily Bee, a daily newspaper published and circulated and of general circulation in said city of San Diego, is hereby designated as the newspaper in which this resolution ordering work, and the notice of said work inviting sealed proposals for doing the same, shall be published, in the manner and form, and by the persons required by law.

The clerk of the said city of San Diego is hereby directed to post conspicuously for five days on or near the chamber door of the said common council, in the manner and form required by law, a notice with specifications inviting sealed proposals or bids for doing said work; and said clerk is hereby directed to publish, for two days, in the manner and form required by law, a notice of said work, inviting sealed proposals or bids for doing the said work, and referring to the specifications posted or on file, in the said newspaper designated as aforesaid for that purpose. Said notice shall require either a certified check or bond, as prescribed by law, for an amount not less than ten per cent of the aggregate of the proposal.

Said clerk of the said city of San Diego is also hereby directed to publish this resolution ordering work, for two days, in the manner required by law, in said newspaper hereinbefore designated for that purpose.

Passed and adopted by the board of delegates of the said common council of the said city of San Diego, California, this 20th day of June, 1904, by the following vote, to-wit:

Ayes—Delegates Schon, Richert, Wood, Stewart, Guinan, Wright, Simpson, McNeill, Lambert, Ecker, Creelman, Good, Scudder, Lewis and Briggs.

Resolution of Intention

To change the grade of Ivy street in the City of San Diego, California, from the east line of Fifth street to the west line of the fourteen hundred acre public park.

Whereas, the owners of a majority of the property affected by the herein proposed change of grade of that portion of Ivy street in the City of San Diego, California, between the east line of Fifth street and the west line of the fourteen hundred acre public park, as herein-after specified, have petitioned the Common Council of the City of San Diego, California, to change the grade of that portion of the said Ivy street between said points; and,

Whereas, the said Common Council of the said City of San Diego herein finds that said petition contains the names of the owners of a majority of the property affected by said proposed change of grade;

Now, therefore, be it resolved, That it is the intention of the Common Council of said City of San Diego to change and establish the grade of that portion of the said Ivy street in said City of San Diego, at a point on the south line of said Ivy street fifty feet east of the east line of Fifth street, also at a point on the south line of said Ivy street one hundred feet east of the east line of Fifth street, also at a point where the south line of said

Ivy street intersects the west line of the fourteen hundred acre public park, also at a point on the north line of said Ivy street fifty feet east of the east line of Fifth street, also at a point on the north line of said Ivy street one hundred feet east of the east line of Fifth street, also at a point where the north line of said Ivy street intersects the west line of the fourteen hundred acre public park, as follows: At a point on the south line of said Ivy street fifty feet east of the east line of Fifth street, change the grade elevation from two hundred and fifteen and five-tenths feet to two hundred and eighteen feet;

At a point on the south line of said Ivy street one hundred feet east of the east line of Fifth street, change the grade elevation from two hundred and eighteen feet to two hundred and twenty-one feet;

At a point where the south line of said Ivy street intersects the west line of the fourteen hundred acre public park, change the grade elevation from two hundred and eighteen feet to two hundred and twenty-two feet;

At a point on the north line of said Ivy street fifty feet east of the east line of Fifth street, change the grade elevation from two hundred and seventeen and five-tenths feet to two hundred and twenty feet;

At a point on the north line of the said Ivy street one hundred feet east of the east line of Fifth street, change the grade elevation from two hundred and twenty feet to two hundred and twenty-three feet;

At a point where the north line of said Ivy street intersects the west line of the fourteen hundred acre public park, change the grade elevation from two hundred and twenty feet to two hundred and twenty-four feet;

All of said grade elevations to be above the datum line of levels as fixed by Ordinance No. 3 of the Ordinances of said City of San Diego, entitled, "An Ordinance establishing a datum line for the grading of streets in the City of San Diego, State of California, and providing for the manner of establishing grades by Ordinance." Approved on the 30th day of June, 1886;

That there shall be a uniform ascent and descent between all points at which the grade elevations shall have been established on the said Ivy street when such grade elevations shall have been changed and established as herein specified, provided, the center line of the said Ivy street shall have an average elevation of the opposite curb grades.

That the district to be benefited by the said proposed change of grade, and to be assessed to pay the cost of the same is hereby designated and described as follows:

Commencing at a point where the east line of Fifth street intersects the north line of Ivy street; thence running north along the east line of Fifth street fifty feet; thence running east to a point on the west line of the fourteen hundred acre public park fifty feet north of the north line of Ivy street; thence running south along the west line of the said fourteen hundred acre public park to a point fifty feet south of the south line of Ivy street; thence running west to a point on the east line of Fifth street fifty feet south of the south line of Ivy street; thence running north along the east line of Fifth street to the place of beginning; all of said exterior boundaries of said district being in the City of San Diego, County of San Diego, State of California.

The City Clerk of said City is hereby directed to cause this resolution of intention to be published for ten days in the newspaper in which the official notices of the Common Council of said City are usually printed and published, to-wit, the San Diego Union and Daily Bee, a daily newspaper published and circulated and of general circulation in said City, in every regular issue of said newspaper for said period of ten days, which newspaper is hereby designated as the newspaper in which this Resolution of Intention shall be published in the manner and by the person required by law.

The Superintendent of Streets of said City is hereby ordered and directed, within five days after the first publication of this resolution, to cause to be conspicuously posted in the manner and form required by law within the district herein above designated as the district to be benefited by the proposed change of grade, notice of the passage of this Resolution.

Passed and adopted by the Board of Delegates of the said Common Council of the said City of San Diego, California, this 2nd day of May, 1904, by the following vote, to-wit:

Ayes—Delegates Schon, Richert, Weed, Chapman, Stewart, Wright, Simpson, Lambert, Ecker, Creelman, Good, Scudder, Williamson, Butler, Lewis and Briggs.

Resolution Ordering the Work

Of sidewalk and curbing Front street in the city of San Diego, California, from the north line of "H" street to the south line of Fir street.

Resolved, by the common council of the city of San Diego, a municipal corporation in the county of San Diego, state of California, that the public interest and convenience of said city require that the street work hereinafter described be done, and therefore the said common council hereby orders the following street work to be done in said city, to wit:

The sidewalk of Front street in the said city of San Diego, California, on both sides thereof, from the north line of H street to the south line of Fir street, including both sides of all intersections of streets between said points (excepting where already sidewalked with concrete, bituminous rock or asphalt, and the north half of the intersection of Front and B streets, and also excepting such portions of the said Front street, and the said intersections of streets between said points, required by law to be kept in order or repair by any person or company having railroad tracks thereon), with concrete, the base or foundation of which shall be three inches in thickness and composed of one part, by volume, of Portland cement, two parts of sand and

four parts of gravel, according to the specifications thereof contained in ordinance numbered eleven hundred and forty of the ordinances of the said city of San Diego, entitled "An Ordinance Prescribing Specifications for Sidewalking and Curbing in the City of San Diego, California," approved on the seventeenth day of June, nineteen hundred and two, now on file in the office of the clerk of the said city of San Diego.

Also the curbing of said Front street on both sides thereof, from the said north line of H street to the said south line of Fir street, including both sides of all intersections of streets between said points (excepting where already curbed with concrete or natural stone or wood, and also excepting such portions of the said Front street and the said intersections of streets between said points, required by law to be kept in order or repair by any person or company having railroad tracks thereon, and also excepting the north half of the intersection of Front and B streets), with concrete according to the specifications thereof contained in said ordinance numbered eleven hundred and forty.

The San Diego Union and Daily Bee, a daily newspaper published and circulated and of general circulation in said city of San Diego, is hereby designated as the newspaper in which this resolution ordering work, and the notice of said work inviting sealed proposals for doing the same, shall be published, in the manner and form, and by the persons required by law.

The clerk of the said city of San Diego is hereby directed to post conspicuously for five days on or near the chamber door of the said common council, in the manner and form required by law, a notice with specifications inviting sealed proposals or bids for doing said work; and said clerk is hereby directed to publish, for two days, in the manner and form required by law, a notice of said work, inviting sealed proposals or bids for doing the said work, and referring to the specifications posted or on file, in the said newspaper designated as aforesaid for that purpose. Said notice shall require either a certified check or bond, as prescribed by law, for an amount not less than ten per cent of the aggregate of the proposal.

Said clerk of the said city of San Diego is also hereby directed to publish this resolution ordering work, for two days, in the manner required by law, in said newspaper hereinbefore designated for that purpose.

Passed and adopted by the board of delegates of the said common council of the said city of San Diego, California, this 18th day of July, 1904, by the following vote, to wit:

Ayes—Delegates Schon, Richert, Weed, Chapman, Stewart, Gulnan, Simpson, McNeill, Lambert, Ecker, Creelman, Good, Scudder, Williamson, Butler, Lewis and Briggs.

Closing Lewis & Jackdaw St. Arnold & Choate Add.

Notice of Public Work.

Notice is hereby given that the Common Council of the City of San Diego, State of California, did on the 17th day of January, 1898, pass, and approved by the Mayor on the 18th day of January, 1898, a resolution declaring its intention to order the closing up of that portion of Jackdaw street between the north line of Getti street and the south line of Broadway, in Arnold & Choate's addition to the City of San Diego, in the County of San Diego, State of California.

That the said common council by its said resolution, deem that it is not necessary that any land be taken in closing up said portion of said Jackdaw street.

That the exterior boundaries of the district of lands established, and declared by said resolution to be affected and benefited by said work or improvement and to be assessed to pay the damages, cost and expenses thereof, are described as follows, to-wit:

Beginning at the southeast corner of block numbered forty-four in Arnold & Choate's addition to said City of San Diego, thence north along the west line of said Ibis street to the northeast corner of block thirty-seven of said addition; thence west along the south line of Broadway to the northwest corner of block thirty-eight of said addition; thence south along the east line of said California street to the southwest corner of block forty-three of said addition, and thence east along the north line of Getti street to the place of beginning. All of said blocks and all of said streets and exterior boundary lines are in said Arnold & Choate's addition to San Diego, and in the said City of San Diego, County of San Diego, State of California.

Reference is hereby made to said resolution declaring intention for further particulars.
